Some useful links for doing literature review. The first one listed is a **reference manager**( Mendeley). A tutorial video is also uploaded to help you to learn , how to work with mendeley. it will help you to organize the literature collected by you and finally prepare the bibliography very easily in any format you require. **ProQuest can be accessed from college only.**

Dear all,  
regarding the case study analysis(assessment) i had included the case of Problem of Departing Executives which we discussed in the class.  
The mode of submission will be as follows.  
Analyze the case and submit an assignment (in hand written format scanned and uploaded and then click turned in)  
  
while you write the assignment should it should include  
Title of the case  
Synopsis of the case  
Problem identified
