Report on Business Intelligence Symposium programme:

Business Intelligence Symposium (BIS) programme is designed to enhance business knowledge on contemporary and non-contemporary aspects. These programmes altogether improve student's capacity to present, negotiate themselves, and for critical thinking, problem-solving, public speaking, professional writing, teamwork, etc. This programme is designed to enhance the business knowledge on contemporary and non-contemporary aspects. HBR Article Review and Book Review provide a deeper understanding of concepts related to management. Students need to present on these topics as per the schedule.

Certificate for organising committee and coordination committee activities of Business Intelligence Symposium conducted by Department of Management Studies MACFAST from July 2020 to February 2021 is enclosed:
