## **Mobile Phone Distribution for Online Classes - PADANASAHAYI 2021**

25<sup>th</sup> June, 2021

Education is an important factor for everyone to achieve their dreams. So it is important to ensure that nothing will stop them from acquiring their education. As per government notification, the classes are made online; but many are devoid of the basic facilities to attend the online sessions. It is mandatory to have decent internet connectivity and devices such as laptop or smartphone with students to attend the sessions smoothly. But, in this Covid-19 pandemic era, many among us are facing several issues regarding their health and livelihood as well. In this background, NSS MACFAST unit has decided to support the poor and needy students. With this initiative, on 25<sup>th</sup> June 2021, NSS MACFAST unit initiated a project called “PADANASAHAYI 2021”. As part of this project, volunteers decided to give one smartphone to a poor and needy student. A student, who is excellent in her studies but cannot afford a smartphone, was identified for this project. Her name is Gopima K G, studying for plus one Science in SVRV NSS Higher Secondary school, Vazhoor. Her family comprises parents and 3 siblings. Gopima is the second daughter. Her father is suffering from renal problems and had a stroke recently. They live in a rented house with no other source of income. All three of them are students and have to attend their classes with a single smartphone, which is under repair most of the time. Her elder sister was an outstanding NSS volunteer who won a national award in 2020. Gopima is also a sincere NSS volunteer, a good student and is very proficient in cultural activities. To raise the fund for the smartphone, the NSS volunteers decided to collect a minimum 100 rupees per head equalling Rs.9300/- altogether. With this budget we could buy a good smartphone and a headset. With a happy heart, our programming officer Dr. Jeemon Joseph along with 5 NSS volunteers handed over our gift to our little sister. This was an

unforgettable moment in our life. We consider this activity as a precious one among several other activities in the history of NSS MACFAST unit. It was an inspiration to all other students in the college for initiating such campaigns to the needy people in the society.

## Awareness on Fast-Food Hazards

21<sup>st</sup> July, 2021

In today's world the consumption of fast food has increased drastically, leading to several health issues. So, awareness regarding the health implications of fast food is the key for controlling its ill effects. So on 21<sup>st</sup> July 2021, the NSS MACFAST unit, with the help of 5 volunteers conducted an awareness programme in the adopted village in the presence of local ward councilor Ms. Sheena. NSS volunteers Gayathri, Vishnu and Poornima took an effective class and many local people actively participated in this awareness program. They were eager to listen to the class as it was a new experience to them. We believe this effort of sharing our knowledge and experience can make a positive impact in the society.

## **Plastic Awareness Campaign –Distribution of Stationary to Students in Adopted Village**

21st July, 2021

The use of plastic products has increased significantly in the recent past. Plastic products are harmful to the environment and there is a need to reduce its use. So, accordingly, on 21<sup>st</sup> July 2021, 15 NSS volunteers distributed eco-friendly pens made with paper in the adopted village, accompanied by the ward councillor Ms. Sheena. These paper pens were made by the food technology students themselves and we could distribute it to the villagers 17 households. They were happy to receive our gift. Though it was a small gift, it conveyed a good message to the society. In some way or other it could motivate them to use eco-friendly products and reduce the use of plastic products.

## Installation of Sanitizer in Public Bus stop at Thirumoolapuram

28th July, 2021

In this COVID pandemic, it is important to clean our hands frequently using soap or sanitizer. It is mandatory to keep a sanitizer in all institutions for the visitors. But all public places are not furnished with sanitizers. NSS MACFAST unit initiated and fixed one sanitizer in the nearest Thirumoolapuram bus stop. Under the leadership of our program officer Dr. Jeemon Joseph, 6 of our NSS volunteers visited the place and fixed one sanitizer there. NSS MACFAST unit sees this activity as necessary, because it may persuade people to use sanitizer with utmost care. We consider it as a small help for the common people to protect themselves. It will also serve as a reminder to travellers to use the sanitizer frequently to protect themselves from this pandemic.

## Cleaning of Public Bus Stop at Thukalassery

6th Aug, 2021

Bus stop is a common place where a lot of passengers wait for the bus. So the surroundings should be cleaned and cleared from any rubbish. NSS MACFAST unit found the nearest Thukalassery bus stop has become useless with overgrown weeds and foliage. So, 10 NSS volunteers under the leadership of our programme officer Dr. Jeemon Joseph cleaned the bus stop by clearing the weeds and other materials for the safety of the passengers. We expect that this cleaning activity will be an encouragement for the future generations to keep the public places clean and tidy.

## Vegetable Kit Distribution in Adopted Village

17<sup>th</sup> Aug, 2021

Onam is a festival of annual harvest in Kerala, and is celebrated by Malayalees wherever they live. It is a festival of harvest, abundance and prosperity. During Onam, everyone irrespective of rich or poor prepares the traditional meal called '*Onasadhya*'. The NSS volunteers of MACFAST offered a helping hand to poor families during Onam by distributing Onam kits. The most deserving families from various villages and colonies are selected for distributing kits. The volunteers did the packaging and door delivery. The vegetable kits were distributed in the NSS adopted village. Each volunteer contributed Rs.50 for gathering the essential vegetables for preparing the Onam kit. We are proud of using handmade cloth bags by our volunteers instead of plastic bags for distributing kits. 31 NSS MACFAST volunteers visited the adopted village and gave the onam kit as a gift. Besides, we also distributed LED bulbs for saving energy for future generations. Local ward councillor guided in this endeavour. NSS MACFAST unit is very happy to be a part of social welfare activities.

## **Cleaning of Road Safety Convex Mirror at Pushpagiri Road**

3rd September, 2021

Better visibility in the road is one of the essential factors for road safety. Many accidents have happened due to lack of proper road visibility. A convex mirror on the road will help the drivers to see the other end of the road clearly. But, it is also important to clean the mirrors frequently. As part of road safety, on 3<sup>rd</sup> September 2021, NSS MACFAST unit volunteers cleaned the convex mirror located nearby the Pushpagiri medical college hospital as the mirror was not clearly visible due to overgrown bushes and creepers. This mirror is a great help for those who drive to the hospital, especially ambulances. Hence, 10 NSS volunteers under the leadership of programme officer Dr. Jeemon Joseph and local ward councillor Ms. Sheeja Karimbunkalayil, cleaned the mirror. The volunteers were privileged to serve the society through this endeavour.

## Noon Meal Distribution Programme

10th September, 2021

Food and shelter are the basic needs of a human being and it should be provided for everyone in the society. So, as part of serving our fellow beings, on 10<sup>th</sup> September, 2021, NSS MACFAST unit initiated a Lunch Distribution at Taluk Hospital, Tiruvalla. 15 NSS volunteers under the leadership of our programme officer, Dr. Jeemon Joseph visited the hospital and distributed around 20 lunch boxes and snacks. The experience at the hospital was a great lesson to all volunteers. NSS MACFAST UNIT is proud for serving the society in all ways.

## Cleaning of Public Road at Adopted Village

24th September, 2021

Cleanliness is an important factor in the development of a place or a village. Being a public utility, roads deserve more cleanliness than anything else. NSS MACFAST unit observed that the roads of our adopted village are becoming worse due to overgrown weeds on both sides of the road. So, on 24<sup>th</sup> September 2021 during the afternoon session, 8 NSS volunteers under the leadership of our program officer Dr. Jeemon Joseph cleaned the road in the adopted village. The villagers were encouraged by our activity and they too were motivated. We were happy that we could change the face of our adopted village through our simple cleaning campaign.

## Cleaning of Government School at Azhiyadathchira

13<sup>th</sup> Oct, 2021

COVID-19 Pandemic has badly affected the equilibrium of our environment and our life. The pandemic caused a big change in the educational sector where students are forced to stay at home and attend classes through online mode. The school and college premises are left behind and almost forgotten for about half and a year. As part of reopening of schools, the Government of Kerala started the process of cleaning and sanitizing the school premises. So, as part of serving our fellow beings, on 13<sup>th</sup> October 2021, NSS MACFAST unit cleaned and sanitized the GOVT School Azhiyadathchira, Tiruvalla. 45 NSS volunteers went to the school and cleaned the class rooms and compound wall of the school. NSS MACFAST unit actively participated in the cleaning process. They also cleared the bushes and wild plants present in the ground. The volunteers were motivated to work towards Gandhiji's dream of building a clean India.

## Cleaning of Government DIET Model School, Thiruvalla

26<sup>th</sup> October, 2021

Covid-19 pandemic has affected the educational sector of our country. The students are forced to attend online classes for their safety. As part of the reopening the schools and colleges they are to be cleaned and sanitized for ensuring safety of the students and teachers. Accordingly, NSS MACFAST unit cleaned and sanitized the DIET Government Model School, Tiruvalla. 45 NSS volunteers went to the school and cleaned the class rooms, lab and the school compound. The clean-up involved removing weeds and sweeping the entire area. All sources of stagnant water such as tyres, plastic cups, coconut shells, plastic bottles, broken pots, etc were removed from the school premises and surroundings. By doing such activities each of the volunteers are being more socially active and are willing to serve the society in their needs.

## Distribution of School Bags to Students at Adopted Village

5th November, 2021

Every student needs to have a good school bag to carry their books to school. A lot of students around us cannot even afford a school bag. Everyone is responsible to help and support our fellow beings in their needs. So, as a part of serving our fellow beings, the NSS MACFAST unit initiated a bag distribution program under the banner of “Padanasahai” project. 21 NSS volunteers under the leadership of our program officer Dr. Jeemon Joseph visited the village and distributed school bags. The beneficiaries included students of the adopted village.

## Blood Donation Camp

25th November, 2021

By donating blood, we will be able to save the lives of people who are in need of blood. By organising blood donation camps, we will be able to control shortage of blood to some extent in the hospitals. There is no substitute for human blood. Each day, thousands of people need donated blood and blood products to keep them in good health or allow them to stay alive. So, as part of serving our fellow beings, NSS MACFAST unit decided to conduct a blood donation camp on 25<sup>th</sup> November 2021, in collaboration with the HDFC bank at MACFAST. 40 NSS volunteers participated in the camp where 30 participants donated their blood at the camp. Certificates were also given to those who donated blood at the event. It also becomes a motivation for others to do it so.

## “Say No to Drugs”: Anti-Narcotics Awareness Campaign

10th December, 2021

Drug abuse and consumption of alcohol is ruining the young generation of the state. Even though efforts are on to wean away the youth from the twin evils, lack of will power among addicts and inadequate family support is coming in the way of their proper rehabilitation. An initiative to make them aware of the consequences of such activities is the need of the hour. Accordingly, the NSS MACFAST unit conducted an anti-narcotic bike rally in the Tiruvalla town. Principal Fr. Dr. Cherian J Kottayil flagged off the anti-narcotics awareness rally after the facilitation by Ms. Sheeja, Municipal Councillor. 50 students led by Dr. Jeemon Joseph, Programme Officer participated in the rally with a pilot jeep in the front carrying anti-narcotics banners. Students wore black dresses and pink ribbon in the hands and they were holding antinarcotics placards during the rally. The bike rally gave a strong message to the public especially to the young generation. Also, it reminded all the students that they should never go behind these destructive habits.
