Policy for Institutional Scholarship

What is a scholarship?

Scholarships are financial aid or awards provided to students. These are designed to provide financial support to their degree programme. Scholarships are awards based upon various criteria such as academic merit, diversity and inclusion (backward regions), community and economic needs. At times a scholarship is provided during admission or by way of fee's concession during semester fee payment.

Objectives

- Objective of Scholarship program is to sustenance of the student of MACFAST with financial support on yearly basis.
- Inspire involvement of the meritorious students to get a financial aid.
- Support involvement of students belongs to socially and economically backward community.
- To encourage students involvement to do better in academics through utilizing these financial supports.
- To provide financial support in the form of community grants
- Encourage inclusion of students from economically backward regions.

Scope

- The financial scholarships are valid to all eligible students of MACFAST who are joining to the institution for MBA, MCA and MSc Biosciences post graduate degree programme.
