

REFLECT ON THE WORLD AROUND YOU

The focus of the College emphasizes the holistic development of the student and provides an environment to transform them as responsible global citizens. To fulfil this mission, several social programs were successfully executed, so that they are trained to be responsible as well as socially committed. The institution extends its activity to the society through broadcasting the programs of Radio MACFAST 90.4, organising awareness programs on current issues and outreach programmes.

1. Radio MACFAST 90.4

The community Radio of MACFAST, true to its punch line 'Nattukarku Koottai' (Community's Companion), strives to be "a partner friend in all the endeavors of the local populace". The Radio gives voice to the voiceless and acts as a center for social, cultural and national integration. It intends to work towards creating a civil society with a growing sense of community values, irrespective of caste, creed, age, gender or discrimination based on education. Students are actively participating in broadcasting various programs through Radio MACFAST 90.4. The programs include Tech-Talk Digital World (Department of Computer Applications), Business Lokham, Nikshepajalakam (Department of Management Studies), Sciencescope (School of Biosciences). Students are given the opportunity to work as Radio jockey and Program Producers. Fair remuneration is offered to students for conducting programmes in Radio to promote Earn while you Learn scheme of the college.

2. Cyber Law and Security Awareness Programme (CLASA)

Cyber Law and Security Awareness Programme is an awareness programme conducted with the support of the Kerala Police Cyber Wing and Radio MACFAST 90.4 FM under the scheme of Science Popularization Programme of the Kerala State Council for Science, Technology and Environment (KSCSTE). The college has been successfully conducting this programme since 2017. The main objective of the programme is to create mass Cyber Law Security awareness among school and college students. The programme envisages women's safety and empowerment, safe Internet practices and proper ICT education.
