TO WHOM-SO-EVER IT MAY CONCERN

This is to inform that joint collaborative programs were conducted between IHRD College Of Applied Science Karthikapally and MACFAST (MarAthanasios College for Advanced Studies Tiruvalla), a Research Institute in Kerala from June 2016, such as joint collaboration activities, organizing joint seminars/conferences resource sharing program etc.

Under this collaboration, following listed activities were jointly carried out between IHRD College of Applied Science Karthikapally and MACFAST so far:

S.N	Activity	StartDate	End Date	Period	Description
1	PHP & MySQL	31 August 2016	31 st August 2016	2015-2016	This program was intended to introduce the concepts of PHP and MySQL to undergraduate students of computer science.
2	PHP & MySQL	16 February 2017	16 th February 2017	2017-2018	This program was intended to introduce the concepts of PHP and MySQL to undergraduate students of computer science.
3	PHP & MySQL	04 November 2017	04 November 2017	2017-2018	This program was intended to introduce the concepts of PHP and MySQL to undergraduate students of computer science.
4	Two Day Python workshop	28 November 2018	29 November 2018	2018-2019	This program was intended to introduce the basics of Python to undergraduate students of computer science.
5	Python data structures	September 15, 2020	September 15, 2020	2020 - 2021	Python Data Structures: This program was intended to impart the concepts of Python programming concepts to students who are not having Python in their syllabus. This was organized in association with MACFAST and computer science department of IHRD College Of Applied Science Karthikapally.

The collaboration between IHRD College Of Applied Science Karthikapally and MACFAST is expected to grow stronger in future through joint collaborative activities & intense participation leading to capacity building, new knowledge generation through research and making a societal impact through collaborative endeavors.

With Regards,

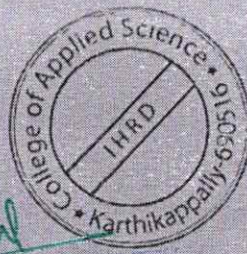

Yours Sincerely,

Dr. Aysha V
