MAR ATHANASIOS COLLEGE FOR ADVANCED STUDIES TIRUVALLA(MACFAST)

Tiruvalla, Pathanamthitta, Kerala 689 101

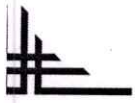

Guidelines for Remedial Coaching

To ensure a credible pass percentage and do justice to all the students admitted it is necessary to frame a remedial coaching system for the needy. Usually among the students admitted, when there are a sizable number of SC/ST students, it is legally required to institute a remedial coaching system. MACFAST being a college with professional orientation strives to identify its weak students as early as possible and take necessary steps for the uplift of them.

Following are the general guidelines issued to the department regarding remedial teaching

- 1 After the completion of the admission list, departments should make a provisional list of students with marks less than 55%
2. To conduct an entry level test for them with objective type questions consisting of at least two hours duration.
3. On the basis of the performance identify the students requiring special attention and inform the concerned faculty members.
4. After the first internal assessment all those students with less than 50% of the marks for each subject are to be grouped together and put under the charge of specified teachers for remedial attention.
5. The heads of the departments have to prepare a timetable, syllabus, timings and place for remedial coaching.
6. Identify the improvement achieved or otherwise of these students after the second internal examinations
7. If there are still students who are weak in specific papers sufficient counseling should be given with intimation to their parents.
8. Teachers should be careful not to discourage them and try to maintain a cordial rapport with them so as to identify any ulterior reasons for their academic weakness.
