YES Plus (Youth Empowerment and Skills Plus) Programme

YES plus (Youth Empowerment and Skills Plus) is a life skills program specially designed by Sri Sri Ravi Shankar (the founder of The Art of Living Foundation) and offered to those between 18-30 yrs. It aids in improving the overall performance, boosting confidence, enhancing creativity and communication and in developing leadership and team building skills amongst other areas of self-development. It prepares them to face all challenges that the modern world poses at the individual, social, political and economic level. Most importantly, it helps create harmony and a sense of belongingness on the university/college campus, amongst students, teachers and the management.

It is a brilliant blend of interactive intense group processes, talks, presentations, physical exercises, yoga, meditation, profound breathing exercise; practical knowledge tips, music, dance and fun based learning oriented games.

Program modules comprise of:

- Group discussions and role-plays to inculcate life-skills and employability skills.
- Team games to develop public speaking and interpersonal communication skills.
- Talks and Presentations to bring out attitudinal and behavioral changes.
- Aspects of Asanas and Pranayama to increase concentration and clarity of mind.
- Breathing techniques (like the world-renowned and well-researched Sudarshan Kriya) to flush out stresses and toxins.

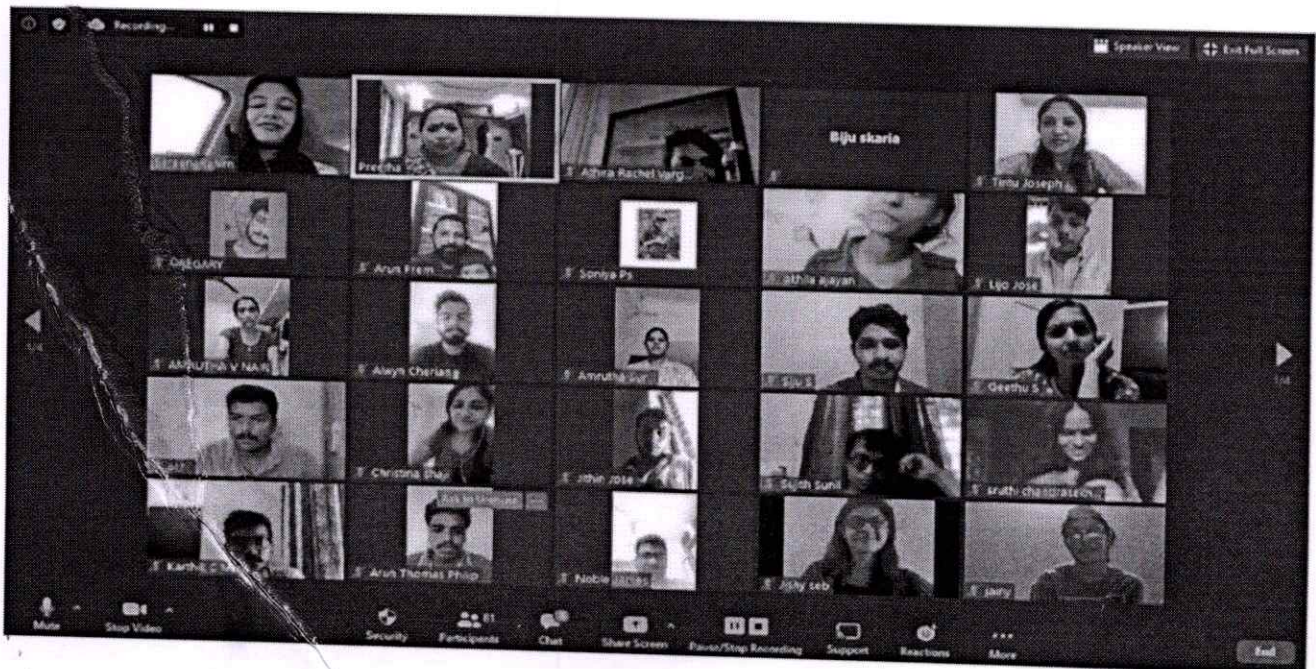

In the beginning of the first semester the Yes Plus training is given to the students along with the foundation program.
