Respected sir,

Sub: Request for postponing the practical examination and project evaluation of fourth semester PGCSS

The decision taken by the Mahatma Gandhi University in the Board of Examiners meeting on 30-5-2017 was to conduct the practical examination and project evaluation before 15th July. With regards to this, let me bring to your kind attention that the students of MSc. Biochemistry, MSc. Bioinformatics, MSc. Biotechnology, MSc. Food Technology and Quality Assurance and MSc. Plant Biotechnology had gone to various reputed institutions like DFRL, CFTRI, CIFT, FRI, NIIST etc. for MSc Dissertation from 1st April to 30th June, 2017. As the 4th semester and first semester supplementary exams intervened, the students couldn't complete their 90 days project. Moreover, due to the strict rules of the research institutions, these students would not be permitted to leave the institute before the term period and also they would not be issued their project completion certificate. Hence we humbly request you to be kind enough to postpone the practical examination and project presentation date to the third week of August.

Thanking you,

Yours faithfully

Subject : Publication of sixth sem Project and viva voce Result
which was withheld.

Respected Sir,

We are students of MACFAST college, Thiruvalla, Pathanamthitta.
We had done our post graduation in Computer Application (MCA).
But our final semester result (about 9 from regular and lateral
batch) was withheld by the university.

It was informed from the section that the marks
which has given by the external teacher is having some
mistake and later it was rectified by them with the signa-
ture of the concerned chairman. Unfortunately this issue was
related to the course viva. Most of us has not yet received
any backlogs in the previous semesters and among us some

of the students were got placement in companies and delay in publication of the same due to withholding is affecting us badly.

We humbly request you to do the needful by enquiring the situation.
