Dear Dr. Jenny,

A pleasure to speak and to know, you are convinced about the ST benefits. We feel happy to announce the launch of the **National Summer Faculty Development Program (FDP)**. Glad to know that you are looking forward to collaborating with IITB-ST for an FDP session. We are sure that the FDP event will be a huge success with many participants from within & outside the Institute getting benefitted. The benefits of collaboration are Certificates will have Institute Name as well as we will award the Institute a **Letter of Association** mentioning the event details & number of Participants. Do share your decision with us by Thursday so that we can smoothly plan the session.

This is in line with the requirements from MoE, UGC, AICTE, University bodies, and possibly colleges to upskill faculty in ICT methods. We have arranged a series of training on Certificate Courses that will help with Academics better. These are brought to you by **IIT Bombay, Spoken Tutorial Program**. Faculty can select any course from our special offerings. To start, take up the most popular **Moodle Learning Management System** course. You will be amazed at what a boon it is to teachers, to be able to handle Online/Remote instruction effectively. Other courses are **R (Economics/Maths/Statistics), Scilab (Science/Engineering), Arduino (Robotics), Python (Computer Applications)**. Do go through our **E-Brochure**. Courses can be learned on your own (self-learning), and run into 25-30 hrs. approximately.

Make the most of your summer break, register without further delay. *Keep pace with the changing scenario in Higher Education!*

Registration fees:-

For Faculty - Rs. 590/- course including GST/Faculty

For Students - Rs 236/- course including GST/Student

Mode of Training:- Online, remote learning through audio-video lectures (e-tutor), per your convenience.

Certification:- E-Certificates of Participation will be provided by Spoken Tutorials, IIT Bombay after completion of training. A Course Completion Certificate will be provided once you clear the online test.

In case of any query feel free to call or write to me. Always happy to help you.

Best Regards,

Zahera Shaikh

Dear Dr. Jenny Jacob,

We are delighted to share a Letter of Association to your college as an **Academic Center - Individual Learning Workshop** with IITB-ST Program. This is in regards to conducting a Faculty Development Program on Moodle LMS which has benefitted many participants across the college. We are looking forward to many such collaborations in the future so that more Students & Faculty members will get benefited from industry and syllabus mapped lab courses.

It is always wonderful working with your support and coordination. Please find the attached **Letter of Appreciation**. Hope to do many such events with you in the future. This is just the beginning to bridge the digital divide in India.

Best Regards,

Zahera Shaikh

Letter of Association

22nd July 2021

To,
The Principal,
Mar Athanasios College for Advance Studies, Tiruvalla (MACFAST)
Kerala – 689101

We are happy to announce the ASSOCIATION of Knowledge Partner Spoken Tutorial, IIT Bombay with Mar Athanasios College for Advance Studies, Tiruvalla (MACFAST). Your College is officially now an Academic Center – Individual Learning Workshop for initiating Faculty Development Program (FDP) from 02nd – 08th July 2021 on Moodle LMS.

The Program is a part of the National Mission on Education through ICT, MoE, Govt. of India, to spread IT Literacy all over India. We are promoting the learning and usage of Free & Open Source Software (FOSS), through an Audio-Video teaching tool, viz, 'Spoken Tutorial'.

We support and motivate colleges to train Faculty & Students on Basic Computer Skills, Software and IT. The course and the training are offered for Rs. 590/faculty/course & Rs. 236/student/course including GST.

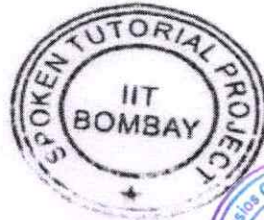

You are making an outstanding contribution of using ICT based teaching and learning methodology for Faculty & students of your College.

Yours Sincerely,

For and On behalf of
Spoken Tutorials,
Indian Institute of Technology Bombay

Shyama Iyer.
