**TOWHOM-SO-EVER IT MAY CONCERN**

This is to inform that joint collaborative programs were conducted between Mar Sleeva College of Arts and Science, Murickassery and MACFAST (Mar Athanasios College for Advanced Studies Tiruvalla), a Research Institute in Kerala from 01-March 2021, such as joint collaboration activities, organizing joint seminars/conferences resource sharing program etc.

Under this collaboration, following listed activities were jointly carried out between Mar Sleeva College of Arts and Science, Murickassery and MACFAST so far:

S.N	Activity	StartDate	End Date	Period	Description
1	Python data structures	March 17, 2021	March 17, 2021	2020 - 2021	Python Data Structures: This program is intended to impart the concepts of Python programming concepts to students who are not having Python in their syllabus. This was organized in association with computer science department of Mar Sleeva College.

The collaboration between Mar Sleeva College of Arts and Science, Murickassery and MACFAST is expected to grow stronger in future through joint collaborative activities & intense participation leading to capacity building, new knowledge generation through research and making a societal impact through collaborative endeavours.

With best regards,

yours sincerely,

Principal
