

Memorandum of Undertaking

Mr. Biju Dharmapalan, Head, Department of Bioscience, Mar Athanasios College For Advanced Studies, Tiruvalla and **Dr. R. Ajay Kumar**, Scientist F, Mycobacterium Research Laboratory, Rajiv Gandhi Centre for Biotechnology, Thiruvananthapuram, mutually agree that:

1. **Ms. Lekshmi Devi J.C** has worked on a short-term project “**Cloning and Expression of Rv0006 gene of *Mycobacterium tuberculosis* H37Rv in *E.coli*** in the laboratory of **Dr. R. Ajay Kumar** at Rajiv Gandhi Centre for Biotechnology from 5th February 2018 to 16th May 2018.
2. **Ms. Lekshmi Devi J.C** has returned to **Dr. Ajay Kumar** the RGCB laboratory notebook containing all the raw data generated by her during her stay at RGCB.
3. **Ms. Lekshmi Devi J.C** may use the data generated by her for the submission of a dissertation provided such documentation is a prerequisite to obtaining a degree from Amity Institute of Biotechnology. Beyond this limited release, **Ms. Lekshmi Devi J.C** or Mar Athanasios College For Advanced Studies, Tiruvalla will have no right to use the contents of the dissertation or any part of the work done by her at RGCB for any other purpose including publication, presentation in conferences, press release or development of any commercially viable application.
4. **Ms. Lekshmi Devi J.C** will include a certificate issued by **Dr. Ajay Kumar** in all the copies of the fully bound Project dissertation. A copy of the dissertation, as submitted to Mar Athanasios College For Advanced Studies, Tiruvalla containing the original signatures of the supervisors, shall be submitted to **Dr. Ajay Kumar** at the end of her tenure at RGCB.
5. One copy of this MOU is to be returned, duly signed, to **Dr. Ajay Kumar**. One is for the candidate and the other is for the Head of her Department.
