SOFT SKILLS TRAINING PROGRAMME

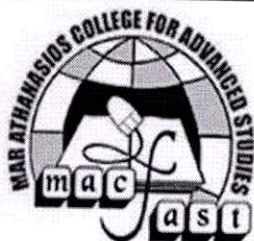

MACFAST INDUSTRY INTERFACE (MII) conducted by Department of Computer Applications

MACFAST Industry Interface (MII) programme is a flagship program initiated by MACFAST for students to understand the nuances of industry expectations and equip them as industry ready candidates. Through MII programme, students will get a platform to interact with the industry experts/practitioners. This is a platform to connect their theoretical learning to practical aspects.

Department of Computer Applications conducts MII with C-DAC as the training partner. The **Centre for Development of Advanced Computing (C-DAC)** is a research and development organization under the Department of Electronics and Information Technology (**DEIT**), Govt. of India. C-DAC is nationally represented at 11 locations, each having unique research and development strength of its own, based on the regional development priorities and the National **ICT** objectives. C-DAC has emerged as a premier R&D organization in **ICT&E** (Information and Communication Technologies & Electronics) in the country, working on strengthening national technological capabilities in the context of global developments and responding to changes in the globalized world in selected technology domains. C-DAC provides several courses in the field of advanced computing and software development. C-DAC organizes advanced computing diploma programmes through the Advanced Computing Training School (ACTS) located all over India. The PG Diploma courses include specializations in Embedded System Design, VLSI, etc.

Schedule for the programme is enclosed

Methodology of LEAP Learning Academy Training programme

THE LEAP METHODOLOGY

At LEAP, we realized early on that it is important to move away from traditional classroom methods of coaxing our mind, to introducing our minds to an environment which is free from restrictions, an environment which allows our mind to be playful yet exceptionally perceptive and alert, like a child's play. This is what Experiential Learning helps us to do.

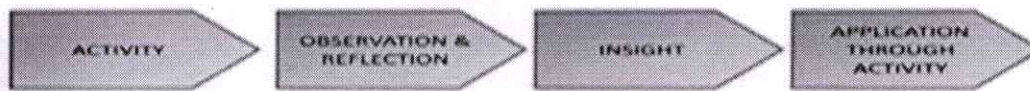

Our Multi – Dimensional Learning methodology based on the principles of David Kolb's "Adult

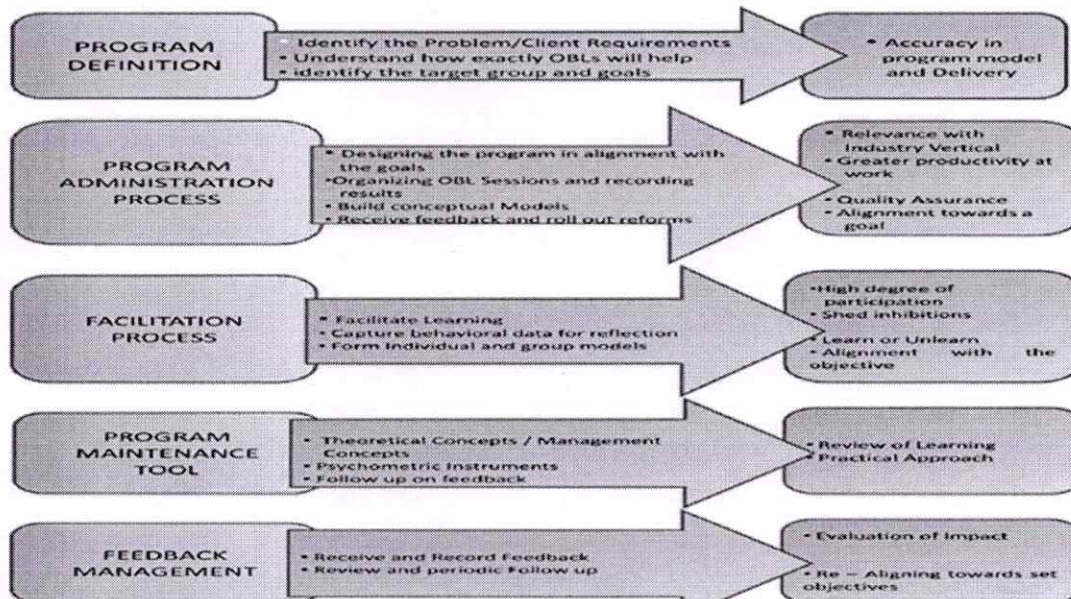

Learning Cycle", exposes the participant to wonderful Learning Experience for Enhanced Performance. Leveraging on the experience, the faculty elicits

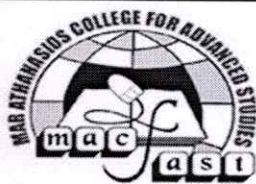

spontaneous reactions and behavior in an atmosphere conducive for anyone to come out of the shell, it is the "Learn at Play" concept best at work here at LEAP. We break free from set procedures and mindsets, and allow you the opportunity to try new behavior and draw lessons through thought provoking and reflective sessions.

Bridge course of Department of Computer Applications

Mar Athanasios College for Advanced Studies
Department of Computer Applications
Bridge Course

Bridge course is imperative to provide for the MCA aspirants from streams other than BSc CS and BCA. For the Bridging Programme, a maximum of 40 hours is allotted. Courses with a specific number of hours allotted for completion are given in the detailed syllabus. All affiliated colleges are required to complete the course within the stipulated time and conduct the exam. The Principal / Director/Head of the Department shall ensure the completion of the bridge course before the candidate applies for the first semester exam.

Objective

The main objective of the course is to bridge the gap between subjects studied at Pre-university level and subjects they would be studying in graduation level. Bridge Course will help the students to have a smooth transition to the MCA course.

COMMUNICATION SKILLS TRAINING PROGRAMME

Communication Skills Sessions:

The industry requires different capabilities of candidates as freshers. Multinational companies form the major backbone of the employment opportunities for MBA, MCA, and BIOSCIENCES graduates. This fact points to the need for candidates to be effective and fluent in English communication. Here we focus on this objective and design programs to polish the students' skills and manners

Expected outcome

- Confidence
- Command over Business Language
- Personality Development
- Disciplined Behaviour
- Analytical Capabilities
- Critical Thinking
- Improved Teamwork

Communication classes of MACFAST have the following activities which were completed in 12 weeks. All students of MACFAST are equipped with intensive training on communication in different semesters. This training is part of the regular timetable twice every week.

BUSINESS UPDATE PROGRAMME

MAR ATHANASIOS COLLEGE FOR ADVANCED STUDIES TIRUVALLA (MACFAST) BUSINESS UPDATE GENERAL GUIDELINES

To inculcate the habit of regular reading and to familiarize the students with current issues and recent trends in business-related topics, every working day the first 30 minutes are earmarked in the timetable for business update session. Apart from presenting the daily business news, discussions are being held which may touch upon various dimensions of the latest issues.

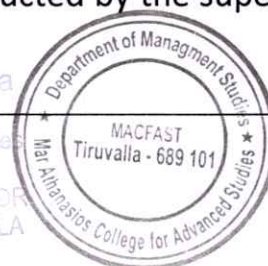

The following are the specific objectives of this programme

1. To keep in constant touch with the changing economic and business trends.
2. To encourage discussions and further reading on related topics
3. To familiarize with the latest developments in the economic and business world.
4. To enhance communication and presentation skills.
5. To strengthen general awareness and knowledge

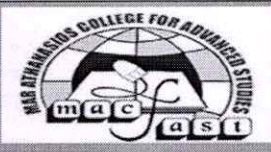

Process of Implementation

- A faculty member of the department is to be in charge of each class for a specific period and she/he will supervise the session.
- Students in a small group by rotation are to be assigned to prepare the daily presentations
- Discussions based on the above may be carried out to have a better understanding of the topic.
- An online test every week is to be conducted and a prize for the best scorer may be awarded.
- A random quiz programme based on the business update session may also be instituted periodically.
- Final evaluation and follow-up shall be conducted by the supervising faculty.

LIFE SKILLS TRAINING PROGRAMME

YES PLUS (Yoga- meditation) TRAINING

All the MBA students have undergone a 24 hrs workshop on life skills – Youth Empowerment and Skills Plus (YES!+) - conducted by the Art of Living Foundation. This intensive and highly engaging training programme includes sessions on Yoga, Pranayamas (breathing exercises), meditations, healthy diets, techniques to improve concentration, memory, stress management, decision-making skills, communication, interpersonal skills, mind management, etc. The first semester students (2019-2021 BATCH) have also attended a life-skills training programme - YouthEmpowerment and Skills Plus (YES!+) – by the Art of Living Foundation, Bangalore. This 30-hour training programme teaches the students the necessary skills to improve their communication, team interaction, decision making, presentation, public speaking, etc. apart from imparting techniques like yoga, pranayama, SudarshanKriya and meditation.

REFRESHER PROGRAMMES ON SOFT SKILLS

Regular one-hour sessions on various soft skills are provided to the students every Wednesdays. These interactive sessions named “Reconnect”, enable students to improve their communication, leadership skills, confidence level, team building, ability to take initiatives, etc.

WEDNESDAY GATHERING PROGRAMME

Wednesday Gathering is a MACFAST student-teacher get-together to provide a platform for the exchange of cultural and scholastic views. It is a time when students and faculty bring to light issues of personal and social relevance. It is also a time of entertainment and enjoyment as the students get an opportunity to display their talents in various fields. Academic achievements and accolades of "MACFASTIANS" are applauded here. The meeting aims at fostering a bond between the teacher and the taught, as well as every staff of this institution – a bond that emphasizes the importance of every member of this family that is MACFAST. Every class will get an opportunity to conduct the Wednesday gathering. Dr.AshalakshmiR.K (MBA), Mrs. Ranjini Mariam Philipose (MCA), Mrs. SiniKurian (Biosciences) are the faculty members' responsibility of arranging students for the Wednesday meeting. The programme is conducted as per the monthly schedules in which the batches of students accountable to showcase their talents are mentioned.

Report on Add-on courses conducted by Department of Management Studies during Covid-19 Lockdown period

Add-on Course #1: Advanced Corporate Finance by Dr Ashalakshmi R K

Online classes were conducted through Google classroom, in the subject area of Advanced Corporate Finance and the course was titled "Working Capital Management". The online class started on March 19, 2020 for 37 hours.

The class was not related to the regular subject instead it followed an Add on course which was out of the student's present syllabus. This Add-on course set with a course outline that included holistic aspects of working capital management in the corporate world. The syllabus included five modules with course objectives and outcomes. These five modules elaborately dealt with an introduction, application, approaches, and elements of current assets liabilities management. This subject aided the students in understanding the cognizance and significance of liquidity management in a business. The content generated outcome include the ability to analyse and solve liquidity crisis, balancing the use of sources of funds, estimating operating cycle and working capital requirements of a firm etc.

The platform/tools made use in these sessions was 100% online-enabled by Google named as "Google classroom". Tools like PowerPoint, word, and excel also came in way of discussion. The frequency of contact was every day. Till 30th April, around 28 hours of classes have been conducted. Class discussions were carried out in the form of video learning materials(recorded video classes by faculty) assignments, practice problems, case studies and quizzes, articles, ppts, notes, etc

Add-on Course #2: Management Information Systems and CyberSecurity by Mr ArunPrem

During COVID-19 days, online teaching/learning platforms were used by the instructor to enable student engagement. These platforms have been used for second semester MBA students. The subject area was Management Information Systems and Cyber Security and the online classes started on March 23, 2020. The aim behind online student engagement related to this subject was to familiarize the organization practices of Management Information Systems (MIS) and also to conduct a revision of the subject.

The classes were divided into two sections. The first section focus on the organizational practices of MIS. This section is offered as a 40 hrs. Add-on course which covers 26 Case Studies related to MIS. The second section covers 120 previous university questions and 7 case studies.

For conducting sessions, "Google Class Room" has been used. Students have prepared online Case study presentations. For this, online screen recording software was used. These presentations were uploaded to YouTube.

A total of 103 students have enrolled in Google Class Room. Except for Sundays, all the other days, starting from March 23 2020 to April 30, 2020, students were given online activities/assignments which have to be completed on a time-bound basis. So almost all days, the instructor has been in touch with students.

Different online activities were conducted. A total of 51 case study presentations on YouTube were made by the students. They have also made 51 PDF/word materials related to 26 case studies. All these YouTube links and PDF/word materials are uploaded to Google Classroom. Seven Graded quizzes were conducted based on these Case Studies. Out of 103 students enrolled, 93 students have completed the MIS Case Study Add-on course with a certificate with excellent grades. Each day the students were also given 5 university questions on a random basis and at the end of the day, they were instructed to post the answers for these questions. The students have responded positively and they were able to come up with answers for all the 108 questions posted. This will act as a solved question bank.

Dear Advaita and Morpheus,

Welcome to MIS Google Class room. Let's utilize this collaborative learning platform effectively to update our knowledge and skill sets. To start with, I have consolidated the MIS case study related assignment contents (PDFs and YouTube links) submitted by different groups of Advaita and Morpheus. The contents are organized in the following manner:

1. MIS Case Study Assignments Submission Reports of Advaita and Morpheus
This contains two pdf files. Check these two pdf files to know the Case study Group Numbers, Group members name, Case study name and so on.
2. MIS Case Study PDF Assignments Materials 1, 2 and 3
This contains collection of MIS case study PDF files submitted by Groups of Advaita and Morpheus.
3. MIS Case Study Presentations by Advaita 1 and 2
This contains MIS Case study Presentations YouTube Links of Advaita.
4. MIS Case Study Presentations by Morpheus 1 and 2
This contains MIS Case study Presentations YouTube Links of Morpheus.

What You have to do?

From 23rd March 2020 (Monday) to 26th March 2020 (Thursday), watch the YouTube presentation links of Group 2, 3, 4 and 5 (Both Advaita and Morpheus). Also refer their respective PDF files.

On 27th March 2020, Friday, we will have a Quiz based on the above four group's presentations.

You can be in touch with me for any support. Happy Learning :)

Add-on Course #3 : Marketing Practice by Dr. Sudeep B. Chandramana

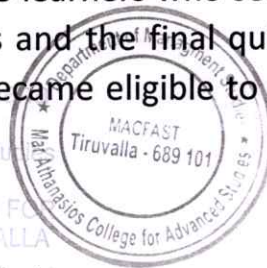

Online classes were conducted in the Marketing Management area. The classes commenced on 19th March and concluded on 30th April 2020. 108 participants enrolled in the classes.

The course was offered to 2nd semester MBA students. The nature of the course was an Add-on course and the prime objective was to supplement the syllabus provided by M.G. University. The course was designed for a total of 40 hrs of student engagement. The add-on course was named Marketing Practice.

This course was offered through the Google Classroom platform, Stream, Classwork and Grading features of the platform were extensively used for the course. Additional reading materials in pdf format, links to relevant websites, videos, etc. were provided for effective transfer of knowledge. Streams, assignments and other activities contributed to 28 times direct contact with the learners during the period of 19th March to 30th April 2020.

Other than class discussions, practical assignments, social media marketing exercises, case analyses and quizzes were included in the course to have continuous engagement with the students. There were 9 continuous assessments and a final summative quiz. 91 out of 108 learners who secured a minimum of 50% score in each of these assessments and the final quiz were declared as completed the add-on course and thus became eligible to get the certificate.

Dear Marketing Practitioners!

It was indeed a wonderful experience to be with you for more than a month through this online platform. Your interest, enthusiasm and participation in this course is highly appreciated. I have also shared your results with our Principal & the whole faculty team of MACFAST, and they were all showering congratulations to you all!

Your feedback about the course matters very much to me in offering further programs like this through online platforms. So, take a couple of minutes to fill up this short feedback form and submit it, which I consider as highly valuable.
