### **Report and list of students of supporting paper presentation panels and other activities in the conduct of national conference 2018**

Mar Athanasios College for Advanced Studies Thiruvalla (MACFAST), Department of Management Studies and IQAC conducted a national conference on Digital Transformation in India on 25<sup>th</sup> April 2018. The conference was a platform to bring research scholars, faculty members and Post Graduate students to discuss prospects and challenges of the ongoing process of digitization in our country - a multiplying force for national growth, sustainability, and inclusion. Prof. Achuthsankar .S.Nair HOD, Computational Biology and Bioinformatics, Kerala University delivered the keynote address. The venue of the conference was the college campus and the event was successfully conducted with the support of the student council. Thirty-five papers were received for the conference and the student council allocated the tasks of managing various committees such as registration, public relations, inaugural functions to students of second and fourth semesters. As the conference was conducted in April, the availability of students in the campus was comparatively less due to their final project and internship. But the student council played an active role made the conference a success. They also took care of the requirements of the judging panel with high professionalism.

## **Report of Onamcelebrations 2018 coordinated by college union /student council**

Onam, 2018, the harvest festival of Kerala was celebrated with great enthusiasm. A day of celebration was conducted with the support of student council members. The event was marked with several events like athapookkalam( floral carpet) Malayala manga, Kerala Sreeman competition, Nadanpattu, and various programmes by students of each batch. All dressed in traditional attire and celebrations lead to Lord Mahabali's visit to campus. A splendid Onam lunch was arranged for the teaching, non-teaching faculty members, students and well-wishers of MACFAST by the college. The event was coloured by the coordination skills of the student council.

## Christmas celebration 2018

Christmas celebrations on 21<sup>st</sup> December 2018 were marked by greetings and the exchange of gifts. Christmas trees were decorated, cakes were cut, air echoed with carols and cheer, Santa caps bobbed in the wind, red and green were the main colours in the campus. The delightful celebrations included rhythmic performances by the college students and a surprise package by the differently able kids from Vikas school added to the joy of Christmas celebrations.

## Report of DAKSHINA 2019

DAKSHINA 2K19, the passing out ceremony of the 2018 batch of MACFAST was held on 9<sup>th</sup> February 2019, at the college auditorium. As the event was a major one, it added value to the institution among stakeholders. The representation of students with the support of staff decided the success of the program. The student representatives of the Department of Management Studies, Computer applications and Biosciences played a major role in managing the procession of passed out students along with the chief guest.

### Student council representation and support in the procession of Dakshina 2k19

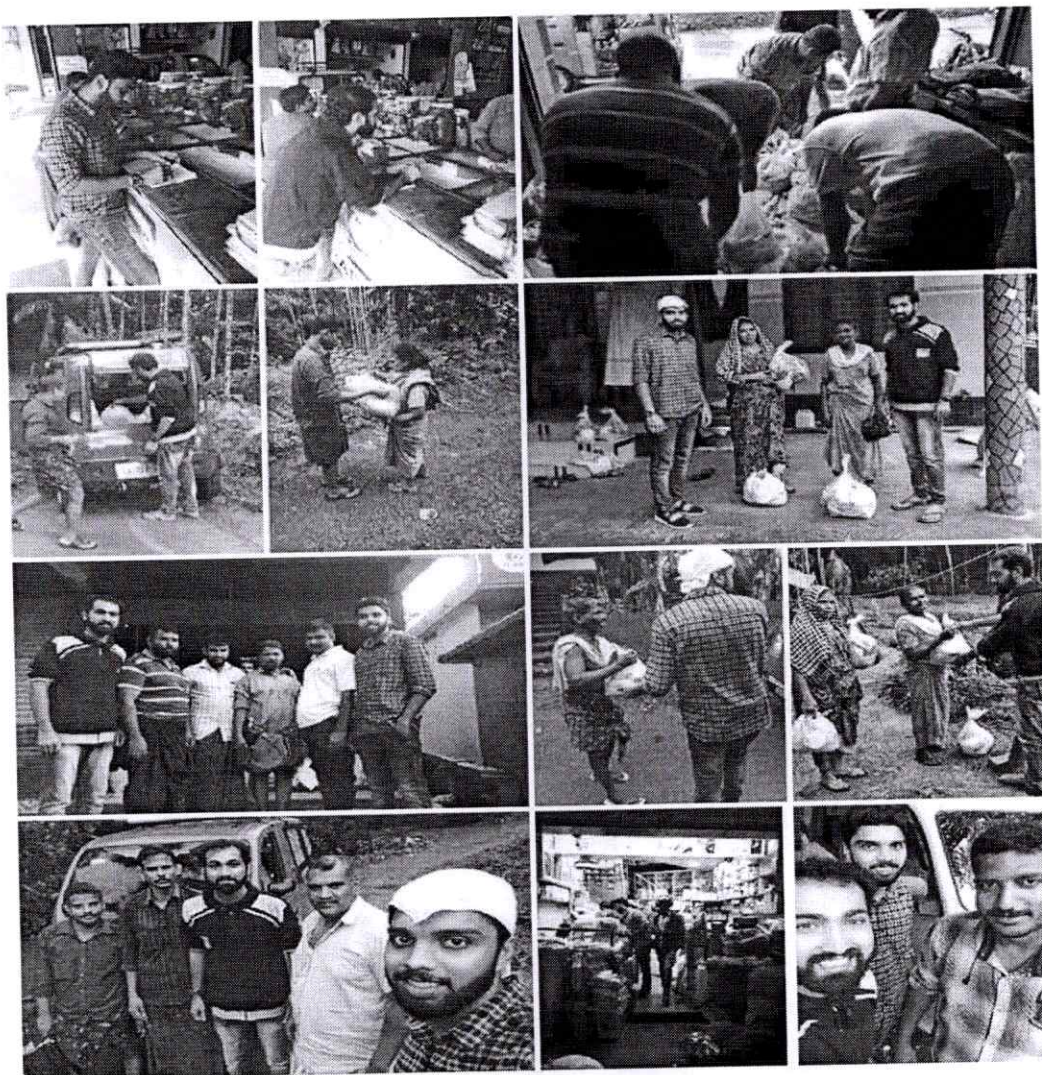

## Report of social responsibility activities supported by college union/ students council

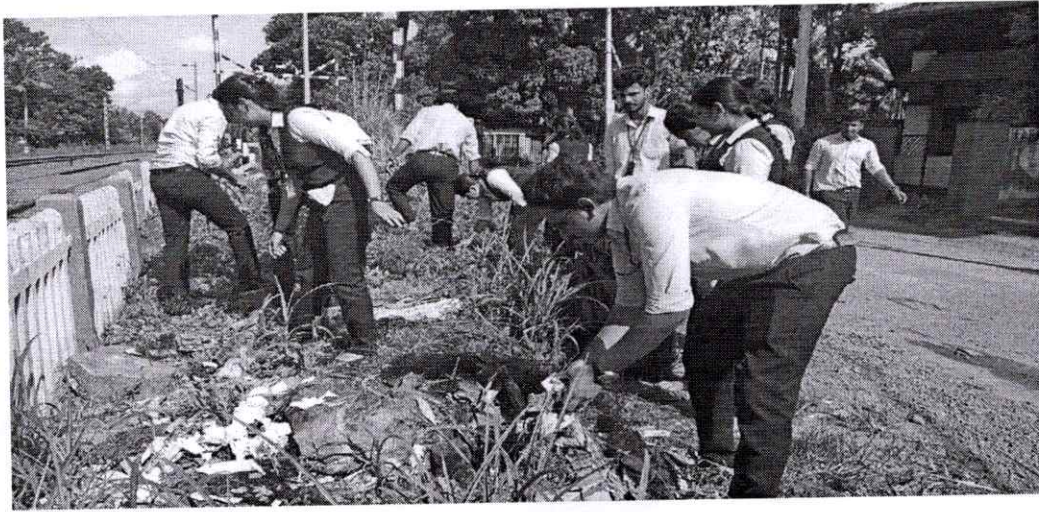

As part of the institution's social responsibility programmes, during the flood, MACFAST provided food and other utilities to nearby relief camps. Students representatives and staff volunteered for cleaning activities after the flood. Books were distributed to students in the relief camps. The members along with NSS volunteers of the college distributed lunch once every month to the Taluk government hospital. Students representatives also volunteered to visit in nearby old age homes and orphanages for providing financial and non-financial support to them. The event was initiated and supported by students to help the lives of many who struggled & suffered because of the unprecedented attack of the flood. There were two teams with faculty and students who cleaned public places as well as houses.
