STRATEGIC PLAN

Strategic Plan Deployment

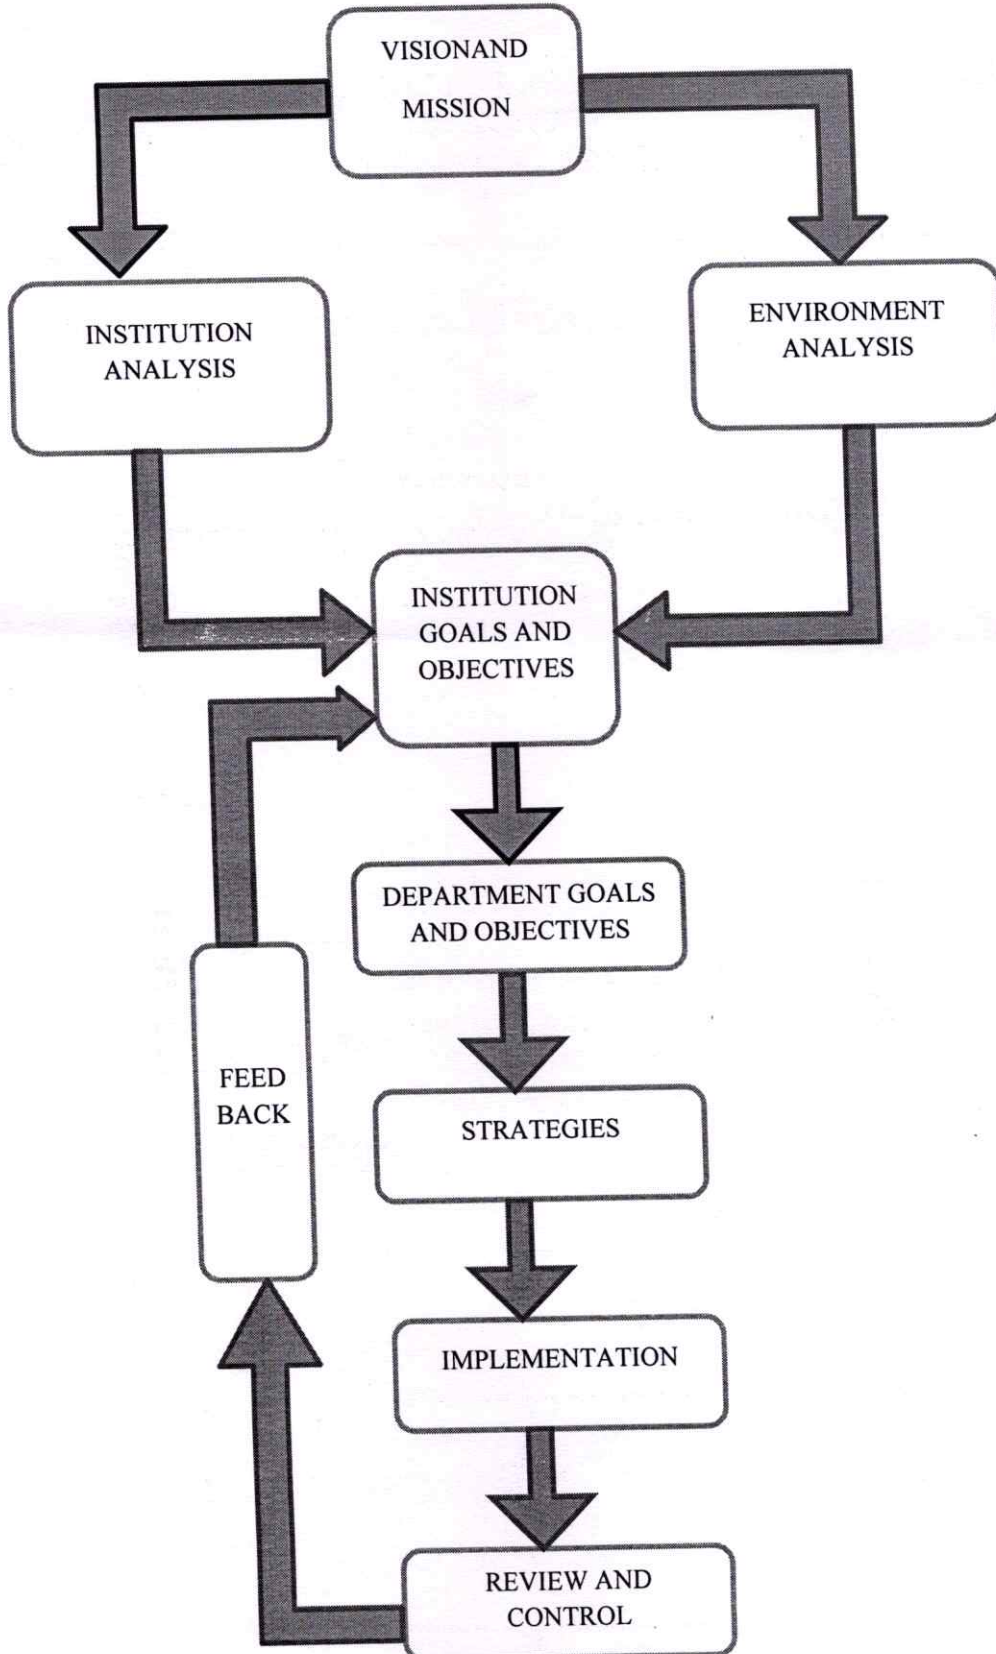

Application of concept of PDCA Cycle/ Deming Cycle

Proposed by Walter Shewhart and later developed by William Deming, an eminent Quality Guru, the PDCA (Plan-Do-Check-Act) cycle is a framework for continuous improvements in various areas in management processes. PDCA is a four-stage method that enables teams to avoid recurring mistakes and improve processes. This PDCA concept is followed by MACFAST for the attainment of Strategic Goals currently aimed by the college. It comprises of four stages:

1. Plan Phase - By Governing Body and Academic Council and college IQAC on a periodic basis following the parameters of NAAC/NIRF
2. Do/Execution Phase- Through the different departments, college office, cells/ committees/ associations/ student clubs, etc.
3. Check/Study Phase- By the college Principal, duly deputed IQAC co-ordinators, Heads of the departments etc. after applying NAAC/NIRF parameters
4. Act/ Follow-up Phase: Preparation and Submission of Annual Report to Governing Body and Academic Council by the Principal & IQAC co-ordinators. The Governing body gives directions and suggestions about the adequate actions for improvement, if any deviations are found.

STRATEGIC PLAN FLOWCHART

Core Values

Integrity: The basic underlying principle is to infuse the whole system into a family culture, strongly confirming to moral principles, rich with respect and sharing responsibilities.

Participatory Decision making: Democratic leadership contributing to shared decision making provide room for collegiality, trust, increase in teachers' commitment and overall zeal.

Environmental sustainability: It is the duty of the institution to minimise the impact to the environment and ensure the well-being of our surroundings and provide a sustainable future

Civic awareness: Various social programmes conducted by the institute create an opportunity and thus promote the quality of life

Excellence: All departments of the college are striving towards excellence with emphasis on implementing innovations and practising
