

1. ICT in teaching learning process

The Internal Quality Assurance Cell of the college is always keen in identifying and implementing latest innovations in teaching and learning. As a result of this continuous effort, IQAC executed several methods in improving the teaching-learning process. The quality enhancement programme includes Faculty Development Programmes on use of ICT in learning management system, creation of E- contents using MOOC and MOODLE, Online tools in Teaching Learning, E- content creation using Google classroom, zoom etc. The college procured zoom platform and switched to hybrid teaching methods. This enhanced the institution to deliver uninterrupted classes during the COVID-19 pandemic. The college has also introduced interactive smart boards into our ICT methods. IQAC has organized hands-on training to faculty members on "How to use Smart Interactive Board" on 1st December 2020. As per the decision taken in the IQAC meeting held on 17th June 2019, a full-fledged studio room has been designed and developed as part of the Library Information Centre. This studio room is used by many faculty members in creating E-contents for online teaching and Faculty Development Programme. IQAC has also organized an FDP in association with Kerala State Higher Education Council and School of Biosciences on "Creating and Managing Online Classes"

The institution has expanded its infrastructure and learning resources essential to maintain, renovate and added to the existing in the last 5 years as given below:

Sl. No	Type of Infrastructure and Learning Resource	2015-16	2020-21
1	Total Built up area	30270.5m ²	30270.5m ²
2	Classrooms with ICT Facilities	16	21
3	Seminar Halls/ Auditoriums/ Board Rooms with ICT Facilities	3	3
4	Computer Laboratories with ICT Facilities	1	1
5	Library Book Titles	9768	10878
6	Library Book Volumes	16743	26442
7	Internet Bandwidth	12 Mbps	111 Mbps

Faculty Development Programme (FDP)

One Day Training on

“MOOC Production & Funding”

A Faculty Development Programme (FDP) on “MOOC Production & Funding” was organized by IQAC, MACFAST for faculty members of MACFAST and other colleges on 14th of October, 2029. The FDP conducted under the collaboration with **Educational Multimedia Research Centre (EMMRC), University of Calicut, Govt. of Kerala**. The objective of this FDP is to disseminate knowledge of MOOC’s e content development and open educational resources and how to adopt it in the teaching-learning process. It provides awareness to the much needed digital skills which can play a significant role in the effective management of the online academic process.

About the program

MOOC’s e content development and open educational resources are the latest trends through which knowledge and information is disseminated. In the era of globalization these resources offer a unique opportunity to the teachers to learn as per their convenience. The basic philosophy of MOOC’s is 3 A’s. That is Anytime, Anyone, Anywhere. The workshop enables the participants to understand various concepts of MOOC’s e content development and open educational resources and how to adopt it in the teaching-learning process.

Objectives

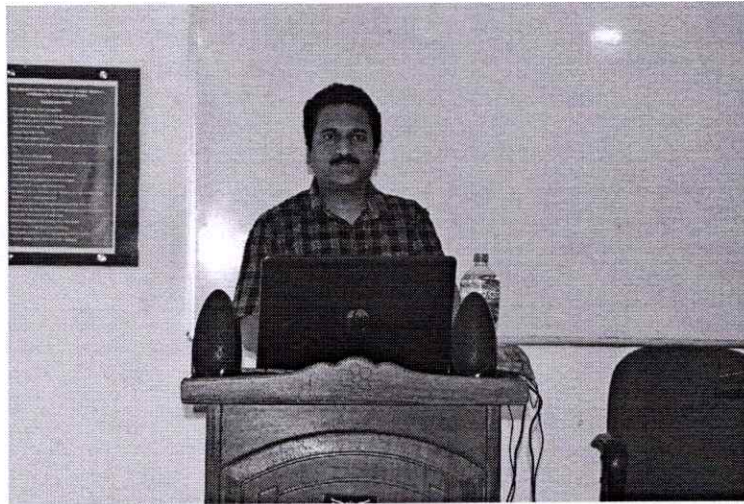

- Create awareness about the benefits of e-pathshala, e- content and MOOC’s for students and teachers also.
- Adoption promotion And understanding of the portraits like MOOC’s, swayam, e-pathshala. Inflibnet etc.
- To successfully Bridge the digital divide and help the nation move towards information rich society.
- To adopt educational changes without compromising the quality of Education.

Content outline

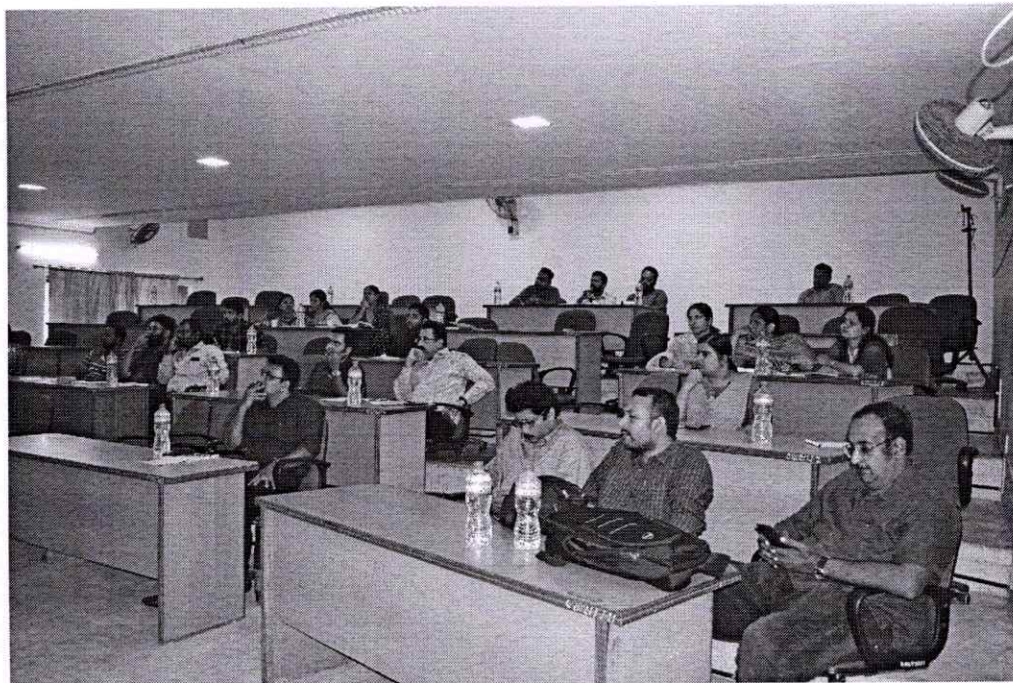

- Overview of MOOC’s e - content development and open educational resources.
- Use of audio video technique PowerPoint slides multimedia enriches presentations.
- Module construction and usage.
- Exposure to online portals like MOOC’s, swayam, e-pathshala.

Pedagogy

The content delivery will consist of lectures, PowerPoint presentations, interactive sessions and group discussions etc.

Session by Shri. Sajith Kumar K.S.

Session by Shri. Rajan Thomas

Session by Shri. Samjith N.

Certificate distribution by Shri. D. Damodar Prasad

Faculty Development Programme (FDP) on “Creating and Managing Online Classes”

A Faculty Development Programme (FDP) on **Creating and Managing Online Classes** was organized by the School of Biosciences and IQAC, MACFAST for faculty members of other colleges from the 17th to the 26th of June, 2020. The FDP conducted under the academic collaboration with **The Kerala State Higher Education Council (KSHEC)** had about 37 participants from several colleges throughout Kerala. In the wake of the lockdown and the COVID-19 pandemic, the teaching community was suddenly thrown out of balance with a sudden switch toward online platforms for collegiate and school education. The objective of this FDP is to disseminate knowledge of some of the important open source digital tools that could be used for academic purposes. It provides awareness to the much needed digital skills which can play a significant role in the effective management of the online academic process.

The college has also conducted several webinars related to management, science and computer applications. The webinars were conducted to engage students in fruitful discussions with experts and scientists and to instil hope in them to face the world with courage. Several webinars were also conducted to provide the students with the required skillset to face recruitments in the near future.

Screenshots are attached below.

The screenshot shows a web browser window displaying the MACFAST MOOCs website. The address bar shows the URL: sites.google.com/macfast.org/moocs-macfast/home?authuser=1. The browser's taskbar at the bottom shows the date and time as 08:43 PM on 07/07/2020. The website content includes a navigation menu with links for Home, Curriculum, Discussion Forum - QAs, and Contact Us. A prominent banner reads "ONLINE FDP - Creating and Managing Online Classes". Below the banner, it states: "Organized by the School of Biosciences and IQAC MACFAST in association with The Kerala State Higher Education Council". At the bottom of the page, it specifies the program duration: "From 17/06/2020 to 26/06/2020 (10 Days Training Programme - Self paced)". A notice at the top of the page indicates: "NB: This website can be accessed only till the 30th of June, 2020."

Mar Athanasios
College For Advanced Studies
(MACFAST) Tiruvalla
Accredited by NAAC with 'A' Grade and
Recognized by DSIR, Govt. of India

Mar Athanasios College for Advanced Studies Tiruvalla (MACFAST) is a premier post graduate research institute, established in 2001 with the objective of offering the best courses in Business Management, Information Technology and Biosciences to mould eminent professionals over the years to confront the challenging demands of the corporate world and the world of science & technology. MACFAST is affiliated to the Mahatma Gandhi University, Kottayam, and approved by the All India Council for Technical Education (AICTE), New Delhi. MACFAST is owned and managed by the Corporate Educational Agency of the Catholic Archdiocese of Tiruvalla, with His Grace Dr. Thomas Mar Koorilos as the President and Patron. Within a very short span of its existence, MACFAST has emerged as a trendsetter in education and has turned in to a benchmark for others to emulate with its unparalleled hallmark of academic brilliance and social commitment. The college is located in Tiruvalla, an active commercial township in the central Travancore region of Kerala. The two adjacent campuses together brings an idyllic character in shape and the atmosphere around pitches an ambience of solitude, of course, inevitable for intellectual pursuance. Amidst the lush green, stands this multi-storeyed building with a built-up area of 3,00,000 sq. ft.

ABOUT THE PROGRAMME

The School of Biosciences, Mar Athanasios College for Advanced Studies Tiruvalla (MACFAST) is pleased to announce the Faculty Development Programme on “**Creating and Managing Online Classes**”. The FDP seeks to address the specific topic of the online class initiative adopted by the Government of India. Faculty all around the world particularly in India are struggling to understand and take up the huge challenge to resume the educational needs of their students through the internet. The FDP will allow you to be confident in creating and managing your online classes without having to struggle. It is a self-paced course of 10 days with hands on sessions and assignments to be completed. The participants have to complete the course with the assignments before the course deadline finishes. The technical sessions are handled by faculty from School of Bioscience. The FDP would be inaugurated by Prof. Dr. Rajan Varughese, Member Secretary, The Kerala State Higher Education Council. All Faculty members, academicians and educationalists are cordially welcome to attend the FDP.

ELIGIBILITY

- FDP is open to all faculty members of colleges, schools and PhD research scholars.
- The FDP has an academic interdisciplinary approach and all academicians interested to use ICT in education can apply.
- All participants are requested to register online on or before 15th June 2020.
- Registration for all participants is mandatory.
- Number of participants is limited to 50 per batch and you are requested to apply early.

PREREQUISITES

- Laptop/desktop with good internet connectivity
- Basic knowledge in using computer and internet

MAJOR SESSIONS

Hands on Workshop on:

- ◆ Online courses (MOOC) and ICT in Education
- ◆ Google Classrooms and other apps in G-Suite
- ◆ Creating a website through Google Sites
- ◆ Video Conferencing tools
- ◆ Creating E-Contents
- ◆ Video Editing and Uploading
- ◆ Charts, Diagrams, Concept Visualization and Animation
- ◆ Academic integrity and Creative Commons licensing
