COMMUNICATION SKILL DEVELOPMENT COUNCIL

Communications is fundamental to the existence and survival of humans as well as to an organization. It is a process of creating and sharing ideas, information, views, facts, feelings, etc. among the people to reach a common understanding. Effective Communication is significant for professionals in the organizations so as to perform the basic functions of management, i.e., Planning, Organizing, Leading and Controlling.

A professional may be highly qualified and skilled but if he does not possess good communication skills, all his ability becomes irrelevant. A professional must communicate his directions effectively to the subordinates to get the work done from them properly. With this understanding MACFAST constituted Communication Skill Development Council, specifically to engage with activities that enable a student to cater his future needs of communication. Moreover, institutions like MACFAST look into the prosperity of its students in terms of placing him to a better company where communication skills play a major role.

Objectives

The main objective of CSDC is to tap on the interest of the students in communication: to refresh, restart and develop further oral and written academic proficiency in English by inculcating knowledge, in order to sustain learning and professional training and to enhance their social integration in the local and global world. The department would enable the students to acquire proficiency, both in spoken (oral) and written language. It is expected that at the end of the module, the student will be able to develop comprehension skills, improve vocabulary, use proper grammar, acquire writing skills, correspond with others and enhance skills in spoken English.

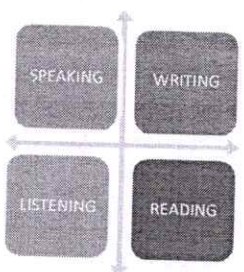

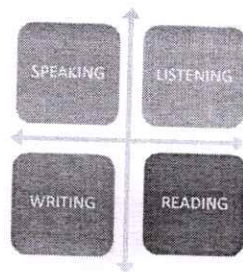

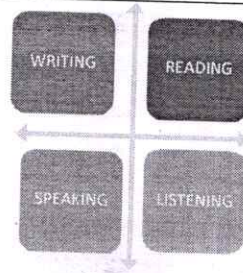

Expected outcome

- Confidence
- Command over Business Language
- Disciplined Behaviour
- Improved Teamwork

COMMUNICATION SKILL DEVELOPMENT COUNCIL

Phase III Activities for the Academic Year 2020-21

Program Overview and Schedule

Activity: Presentations on Contemporary and Non-contemporary Economic Issues, HBR Article Reviews and Book Reviews.

Objectives: This activity is designed to enhance the business knowledge on contemporary and non-contemporary aspects. HBR Article Review and Book Review provide deeper understanding of concepts related to management. The indented outcomes of the program are

- i. To develop the professional presentation skills of young MBA aspirants so as to withstand the demands in their professional life.
- ii. To develop the leadership qualities with a strong ethical background to efficiently and effectively manage business amidst of environmental turbulences
- iii. To nurture communication skills to enable young MBA aspirants to competently communicate in the workplace

General Guidelines:

1. The students have to prepare the presentation based on the allotted theme. There may be changes to the allotted dates due to external webinars or examinations.
2. The presentation has to be done individually and the topic selected should be non-repetitive in nature.
3. The maximum time allotted for presentation shall be 20 min and followed by 10 min Q and A
4. There should be at least 5 slides specially for covering the content. you are advised to follow the below given pattern
 - Slide 1- Heading, Presenter Details
 - Slide 2,3,& 4 - Content
 - Slide 5 – Your Point of View on The Topic
5. The current presentations will be through an online platform, Zoom and any change in this regard will be intimated to all.
6. Students need to enroll into the Google Classroom with class code **joiducf**, created for this purpose and need to post the PPTs one day before the presentation. Students have to accommodate any suggestions for improvement from the faculty members via Google classroom.
7. There shall not be any last minute changes to the presentation.
8. Participation is compulsory.
9. The presenter will be awarded with a Certificate of Business Presentation

Instructions to be followed during the online presentations:

- i. Kindly download the latest Zoom application (version 5) on your device and use your own name as the display name in zoom. This will help to identify and avoid duplications.
- ii. Participants must join the sessions 5 min before the scheduled time.
- iii. Before entering the virtual room, make sure the microphone is muted. Let the presenter's video & screen be on.
- iv. If you have any questions with regards to the presentation, the respective person may unmute & ask the question after the presentation. The hand raise symbol or chat facility in zoom can be also used.

COMMUNICATION SKILL DEVELOPMENT COUNCIL

Communications is fundamental to the existence and survival of humans as well as to an organization. It is a process of creating and sharing ideas, information, views, facts, feelings, etc. among the people to reach a common understanding. Effective Communication is significant for professionals in the organizations so as to perform the basic functions of management, i.e., Planning, Organizing, Leading and Controlling.

A professional may be highly qualified and skilled but if he does not possess good communication skills, all his ability becomes irrelevant. A professional must communicate his directions effectively to the subordinates to get the work done from them properly. With this understanding MACFAST constituted Communication Skill Development Council in the academic year 2018-19, specifically to engage with activities that enable a student to cater his future needs of communication. Moreover, institutions like MACFAST look into the prosperity of its students in terms of placing him to a better company where communication skills play a major role.

Objectives of CSDC

The main objective of DOC is to tap on the interest of the students in communication: to refresh, restart and develop further oral and written academic proficiency in English by inculcating knowledge, in order to sustain learning and professional training and to enhance their social integration in the local and global world. The department would enable the students to acquire proficiency, both in spoken (oral) and written language. It is expected that at the end of the module, the student will be able to develop comprehension skills, improve vocabulary, use proper grammar, acquire writing skills, correspond with others and enhance skills in spoken English.

Action Plan

The activities of Department of communication spread into three departments at MACFAST, MBA, MCA and MSc. Each department is having its own working style in achieving deliverables in accordance with their stream. The various activities are proposed and carried out based on the needs of each department.

Expected outcome

- Confidence
- Command over Business Language
- Disciplined Behaviour
- Improved Teamwork

<p>Second Semester MBA 2018-20 batch</p>	<p>The students show good enthusiasm to make presentation on articles in the newspaper. Students are asked to present their analysis on each news so as to make them understand the relevance of each news by aligning it with the MBA curriculum. As teams are allotted on the prior week, students don't feel it as a burden and as each team has 3 members, they share the work in making presentations. Students who need attention are identified each day and they are given necessary guidance and support for improvement.</p> <p>Each team's presentation skills and remarks are noted in a register. Attendance also strictly monitored</p>	<p>Week 1: Teams of 8 were formed so as to conduct group discussion and thus each class had seven teams. A session on how to participate in GD effectively was taken and the session covered the Dos's and Don'ts in GD.</p> <p>Week 2: GD for four teams were conducted. Topic was given prior to 10 minutes and the selected teams were send for discussion. After GD, faculty as well as audience were asked to give feedback of the same.</p> <p>Week 3: GD for the remaining three teams were conducted. The sessions were found to be effective as individual feedback was given after each group discussions.</p> <p>Week 4: Topics were selected for role play. Case lets and different tag lines were used as topics and the same teams were made to do role play. Initially an idea regarding how to do role play was given to both the batches. Four teams finished their role play in the week</p> <p>Week 5: Role play for remaining teams were conducted. Most of the students actively participated in the same and the sessions were effective as it helped them to communicate effectively and spontaneously.</p> <p>From week 6 till: Outlook agency taking classes for both the batches on basic English language</p>

CLASS	BUSINESS UPDATE SESSION	COMMUNICATION CLASS
<p>S2 MSc. Food Technology & Quality Assurance, MSc. Biochemistry, MSc. Phytomedical Science & Technology, MSc. Plant Biotechnology, MSc. Biotechnology, MSc. Bioinformatics.</p>	<p>The communication class is divided into two batches: BATCH A: MSc Food Technology & Quality Assurance-30 students Venue: Lecture Hall 1 BATCH B: MSc Biotechnology, Biochemistry, PMST, PBT, Bioinformatics- 51 students Venue: Lecture Hall 4</p>	<p>Each batch of students was divided into groups and was assigned topics. The groups had to interpret and discuss the topic among them. Individuals from each group were called forward to represent their group and to pitch in the group's opinion about the assigned topic.</p> <p>A short story was given to each group a day before the communication class and the students were asked to present the story in the form of role play</p> <p>As a continuation to the above activity, histories of famous and influential personalities were assigned to the groups and the students were asked to brief it.</p> <p>To improve the writing skills of the students they were asked to write essay on given topic and the essays were evaluated by assigned teacher on the basis of usage of vocabulary, paragraph framing and usage of proper grammar. Constructive feedbacks were given to each student on the basis of the evaluation done.</p> <p>A debate on "Is animal testing ethical or not?" was conducted for both the batches of students and a good involvement of the students were seen throughout</p>

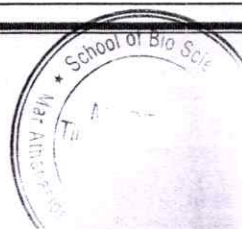

OBSERVED IMPROVEMENT:

- Improvement in writing skill & presentation skill.
- An improvement in the confidence level.
- Less dependence on the supporting material for presentation.
- Increased involvement of students in class.

CHALLENGES FACED:

- Though there is a huge improvement in the attitude of the students, 100% willingness is not yet observed.
- Time restrains.
- Inhibition to speak up.
- Lack of grammatical accuracy.

Seminar on Contemporary Issues for MBA

Objectives

The main objective is to create an interest for the students towards communication: to refresh and develop oral and written academic proficiency in English. The contemporary seminars would enable the students to acquire proficiency, both in spoken (oral) and written language. It is expected that at the end of the course, the student will be able to improve vocabulary, use proper grammar, acquire writing skills, correspond with others and enhance skills in spoken English.

Action Plan

The students will be given topics with regard to contemporary economic issues, contemporary non-economic issues, articles from Harvard Business Review, Business Quiz and any topic of interest. Mentors are also allotted to each student so as to guide them and these mentors assure that students have gained improvement in the due course.

Expected outcome

- Confidence
- Command over Business Language
- Disciplined Behaviour
- Improved Teamwork
