INSTITUTION VISION

To attain the level of excellence at par with top international institutions so as to become a trendsetter in education.

1. About MACFAST

Mar Athanasios College For Advanced Studies Tiruvalla (MACFAST) is a premier post graduate research institute, established in 2001 with the objective of moulding eminent professionals over the years to confront the challenging demands of the corporate world and the world of science & technology. MACFAST is affiliated to Mahatma Gandhi University, Kottayam and approved by All India Council for Technical Education (AICTE), New Delhi. The college is owned and managed by the Corporate Educational Agency of the Catholic Archdiocese of Tiruvalla, founded by His Grace Dr. Geevarghese Mar Timotheos, (Former Metropolitan Archbishop of the Malankara Catholic Archdiocese of Tiruvalla). As visualized by its founders, the college has grown steadily over the years with nine postgraduate courses in Management, Computer Science & Biosciences and positioned its identity as a multidisciplinary institution in the higher education segment of the state. Within a very short span of its existence, MACFAST has emerged as a trendsetter in education and has turned into a benchmark for others to emulate with its unparalleled hallmark of academic brilliance and social commitment. The college is located in Tiruvalla, an active commercial township in the Central Travancore region of Kerala. The two adjacent campuses together bring an idyllic character in shape and the atmosphere around pitches an ambience of solitude, inevitable for intellectual pursuance. The acronym of Mar Athanasios College For Advanced Studies Tiruvalla – MACFAST is also interpreted as: “Moulding Attitude with Commitment for Futuristic Action towards Sustainable Transformation”. The best faculty members combined with the state-of-the art infrastructure enable the optimal progression of the students through scientific temper and dedication towards excellence. A research journal titled Journal of Science, Technology and Management (JSTM), has also been initiated in 2008. MACFAST owns an on-campus Community Radio Station. Radio MACFAST 90.4 is a prime on-campus Community Radio in the state and 46th in the country. The college has reached yet another acme by decorating a position of first solar powered campus in Kerala. The continuous zeal for academic excellence and social commitment has led to the accreditation of MACFAST with CGPA of 3.08 on four-point scale at ‘A’ Grade by the National Assessment and Accreditation Council (NAAC) in 2016.
