INTERNATIONAL DAY OF FORESTS - 2019

International Day of Forests was celebrated on 28th March, 2019 at 3.00pm. The celebration started by offering prayers to almighty. Fr. Dr. Cherian J Kottayil, Principal delivered the presidential address. Principal shared his memories of the wild and the lush forests in his presidential address.

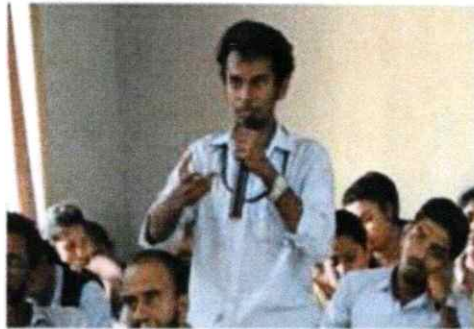

The release of Forestry Club bi-monthly newsletter "Bulbul" was done by Ms. Sudhagourilekshmi by handing over it to Principal.

Ms. Sudhagourilekshmi, Ecotourism Programme Officer, Shendurney Wildlife Sanctuary handled a session to provide awareness to the students about mother Nature. She started the session by saying "To me, forest is the temptation of romance, the light of knowledge and the taste of research". She reminded all the students that the real understanding of the forests comes when we become a lover of nature and a beggar for knowledge. After the session, she cleared the doubts of students.

Ms. Remya R of MCA 2017-'19 batch delivered the vote of thanks.
