### E-WASTE MANAGEMENT

The IT & Systems Department examines the available devices as part of its system maintenance and when found defected it will be checked for repair. If the items are found to be beyond repair, it would be classified as E-waste which will be classified and separated according to different categories suggested by Pollution Control Board and are reported to Pollution Control Board of Kerala in each financial year as per the new guidelines. Once we get the separated materials to a sizable quantity, we will intimate the dismantler and do the proceedings accordingly.
