## IQAC REPORT SUMMARY

### Faculty Development Programme

Faculty Development Programme aims at enhancing the intellect as well as skill sets of the faculty members by giving them ample opportunities to participate in FDPs/workshops/seminars/conferences/training programmes etc. Strengthening the intellectual infrastructure of the faculty will foster the rapid progress of the institution. With this objective, IQAC of the college organised many Faculty Development Programmes and also took initiatives to provide financial assistance to faculty members to attend FDPs/workshops/seminars/conferences/training programmes etc. organised by other institutions. The faculty members made use of the the opportunities provided by the institution and attended different FDPs/workshops/seminars/conferences/training programmes etc. organised by other institutions. The faculty members are even allowed to take Duty Leave to attend FDPs/Training program organised by different institutions. A total of 77 FDPs and professional trainings were attended by the faculty members during the assessment period.

### Outcomes of these quality initiatives

- To make aware of the philosophy of teaching and the role of a teacher
- To develop effective teaching skills for attaining excellence in higher education
- To enable them to develop suitable tools of evaluation
- To enable the participants to communicate effectively in the classroom
- To appreciate the relevance of active teaching methods for better student learning
- To promote the use of ICT in teaching learning process
- To develop research culture

Faculty members have also presented research papers in seminars and conferences organised by both the college and other institutions. Special incentives are provided for the faculty members who present research papers in the conferences organised by other institutions. Financial benefits are also offered for publishing research articles in National/ International journals and other indexed journals.
