

## Cancer Awareness and Hair Donation Camp

11th April, 2019

Hair donation camp was conducted on behalf of the NSS unit at MACFAST College. The prime aim was to empower cancer patients, especially women, who recede socially and mentally due to their hair loss. 10 Students of MACFAST college donated their hair and became a model for the society. The program in association with 'Taura' gave a good message to others. The hair was donated for making artificial hair. The provision of an alternative to the lost hair will help the patients overcome their dilemma. There was a doubt clearing section for the students during the program at the college conference hall. This program was conducted as part of the academic year 2019-20. The program was organized on 11th April, 2019 under the guidance of NSS program officer Dr. Jeemon Joseph for the social well-being.
