

## Noon meal program for patients at Taluk hospital

25<sup>th</sup> July, 2019

On 25<sup>th</sup> July, 2019, the MACFAST NSS team participated in a humanitarian task by distributing lunch packs to patients & bystanders of Thiruvalla Taluk hospital. This idea came from the realisation that food is a necessity that cannot be afforded by everyone. Under the guidance of program officer Dr. Jeemon Joseph, 14 NSS volunteers gave out 105 lunch packs that they brought from their own homes. The present generation of today are more concerned about the taste of the food; often forgetting the fact that it is a means to stay alive. This activity motivated the whole team to carry on with more such activities.
