

## Distribution of School Bags to Students at Adopted Village

5th November, 2021

Every student needs to have a good school bag to carry their books to school. A lot of students around us cannot even afford a school bag. Everyone is responsible to help and support our fellow beings in their needs. So, as a part of serving our fellow beings, the NSS MACFAST unit initiated a bag distribution program under the banner of “Padanasahai” project. 21 NSS volunteers under the leadership of our program officer Dr. Jeemon Joseph visited the village and distributed school bags. The beneficiaries included students of the adopted village.
