MACFAST

PRINCIPAL'S MESSAGE

"The greatest glory in living lies not in never falling, but in rising every time we fall." -Nelson Mandela

Greetings MACFASTIANS! I am proud of publishing the current year's issue of MACFAST Newsletter, 'INFOVIBES' after facing the difficulties and hurdles occurred due to the pandemic.

I would like to take this opportunity to appreciate the efforts taken by the Editorial Board to bring out this Newsletter. It gives me great joy to realise that, as always the MACFAST family strives to flourish even in hard times and nothing has stopped us from achieving great things.

I believe that through our hard work and efforts we can fulfill our vision and mission. As per our vision statement, our resolution is to reach a global level and we have spared no attempts to it. In the future, we must work together to breakthrough and accomplish the impossible. Let me conclude the message by thanking the faculty members, students, and parents for their contributions that has helped us keep the fire lit within. By the grace of God, I hope we can achieve even more exceptional results in the future.

Ms. Ajmal Kallar Moidu
Assistant Professor
MACFAST

EDITOR'S MESSAGE

It gives me immense pleasure to publish this Special Edition of 'INFOVIBES' within the period May 2021 - June 2022. In this edition we have tried our level best to include all the treasured moments and achievements of a Macfastian's life.

I would like to express my deep gratitude to our Principal Fr. Dr. Cherian J Kottayil for his constant support and encouragement. Every educator should make an effort to unearth the treasure, and MACFAST is a great example of how this can be done with everyone working tirelessly to achieve it. For the past twenty years, this institution has been educating the future leaders.

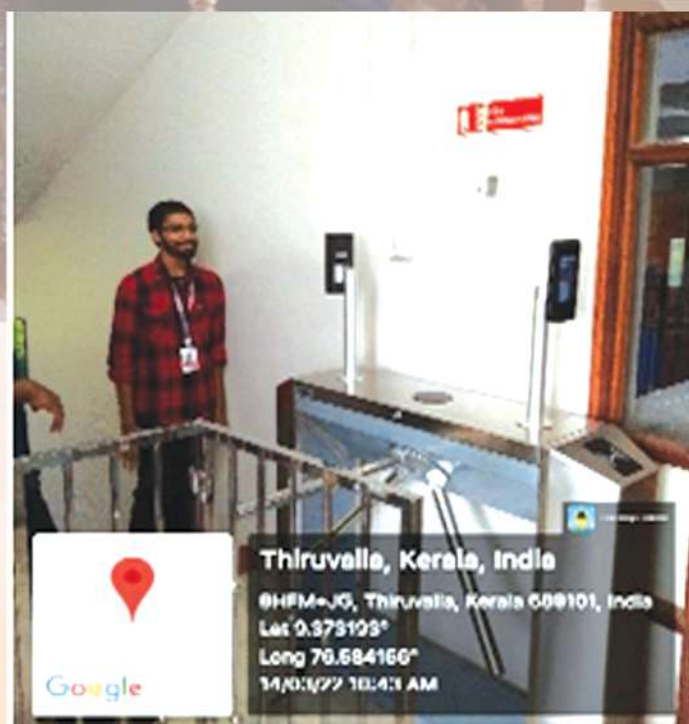

I want to express my gratitude to our Chief Editor, Prof. Varghese Abraham, for his wise counsel throughout the completion of the 'INFOVIBES' Special Edition. I also want to thank the entire 'INFOVIBES' team for their dedication and unwavering support in preparing this newsletter.

LIBRARY

1. Installation of Biometric Gate Attendance System

MLIC has installed Biometric Gate Attendance System on 14/03/2022.

2. Digital Library and Internet Browsing Centre

The Digital Library and Internet Browsing Centre has been renovated and 10 new computer systems were added on 14th March 2022. The users can access e-resources through ebscohost, Proquest and various other online databases.

3. Library contest

MACFAST library conducted Library contest for students and faculty members' highest usage and most circulation of books.

Prizes for

- Students with higher usage of Library:
U.N Nagalekshmi, Msc. Biochemistry
- Students with more circulation (Book taken):
Riya Elizabeth Jacob, MBA
- Faculty with higher usage of library:
Beena Cherian
- Faculty with more circulation (Books taken): **Tiji Thomas**

4. Book Review Writing Competition

MLIC conducted Book review Writing Competition for the students on 20th June 2022 as a part of International Reading Day.

IQAC MACFAST Organizes a
Webinar on

NEP 2020 -Reforms in Higher Education

28th May 2021 | 3.00 PM to 4.30 PM

Scan to register

Speaker :

Dr. Shakila T Shamsu

Formerly OSD(NEP),
Secretary to the Committee of Draft National Education Policy,
Department of Higher Education, MHRD, New Delhi.

macfastofficial

www.macfast.org

IQAC

IQAC MACFAST organized a webinar on National Education Policy (NEP) 2020 – Reforms in Higher Education to discuss the expectations of the policy makers and the key features of the new education policy on 28th May 2021.

Dr. Shakila T. Shamsu, formerly Officer on Special Duty (OSD, New Education Policy), in the Department of Higher Education, MHRD and also the Nodal Officer of the flagship Scheme of National Mission on Teachers and Teaching (NMTT) was the resource person.

IQAC MACFAST organized a workshop for the faculty members as part of the Second Cycle of NAAC Accreditation on 22nd and 23rd December 2021. Dr. N. Jayasankaran (SCSVMV Kanchi University and Member of Governing Board & Academic Council MACFAST) and Dr Suresh Mony (Founder Director NMIMS Deemed - to - be University Bangalore) were the resource persons for the programme.

Dr. Ligo Koshy

Assistant Professor, Dept. of Management Studies has been appointed as the Coordinator of the Internal Quality Assurance Cell.

NAAC 2nd Cycle of Accreditation

The 2nd Cycle of NAAC Accreditation has begun and the process continues. The college submitted the IIQA on 20th Jan 2022. The IIQA was accepted on 17th Feb 2022 and IQAC started the uploading processes of Self Study Report to the NAAC portal. The college has successfully submitted the SSR on 31st Mar 2022. The Student Satisfaction Survey (SSS) has begun on the same day. Data Verification and Validation (DVV) started on 7th April 2022 and submitted the DVV responses on 9th June 2022. All the queries raised by DVV have been answered and the responses were accepted by DVV. The NAAC Peer Team visit is scheduled to be conducted on 1st and 2nd December 2022.

MACFAST Innovation and Corporate Synergy & Start-up Kendra for You

➤ One District One Idea

MACFAST Innovation and Corporate Synergy & Start-up Kendra for You signed an MoU with Kerala Development and Innovation Strategic Council (K-DISC) for a funded project named “One District One Idea”. Dr. Smitha Vijayan & Mr. Tom K Thomas attended the preparatory training.

➤ MICS in association with SKY conducted an Orientation program for the students on the topic “Startup opportunities in Singapore”. Mr. Abilash Pillai, Founder and Director of RL Corp Pte Ltd was the resource person.

ANNOUNCEMENT

We are proud to announce that our Journal “Journal of Science, Technology and Management” is now available online on OJS platform.

➤ The Principal Fr. Cherian J Kottayil inaugurated the new startup “Digital Prizm” on 9th May 2022.

MoUs: MACFAST signed MoU with Central Food Technological Research Institute (CFTRI), Mysore.

MoU signed between MACFAST and CFTRI aimed at collaborative teaching, research and exchanges between students, teachers and researchers by developing scientific research in the field of common interest, organizing joint conference, methodology workshop, professional development programs, training programs and any other project of common interest suggested by either of the two parties.

MACFAST signed MoU with TIMED, Sree Chitra Tirunal Institute for Medical Sciences and Technology, Trivandrum.

MoU was signed between MACFAST and TIMED, Sree Chitra Tirunal Institute for Medical Sciences and Technology for availing IPR services viz awareness sessions webinars, training programs, workshops on IPR & Technology transfer aspect by the faculty, students and researchers. Specific services such as patent search reports, patentability reports etc. could also be availed.

MACFAST signed MoU with Nagarjuna Ayurveda, Thodupuzha.

This MoU was signed for the joint research activities and publications, and also for organization of joint seminars, workshop, training and other industrial-academic collaborations of common interest suggested by either of the two parties.

FACULTY ACHIEVEMENT

Dr. Teena Merlin

Assistant Professor, School of Biosciences awarded with Ph. D in Biochemistry from MG University, Kottayam.

Dr. Smitha Vijayan

Associate Professor, School of Biosciences, nailed the Best Paper Award at the 7th Go Green Summit for the paper entitled "Anticancer Efficacy of Chitosan/Biogenic Silver Nanoparticle Conjugate: An in vitro Analysis on MDA Cell Lines".

Dr. Ligo Koshy

Assistant Professor, MBA Department awarded with Ph. D in Management Studies from Bharathiar University, Coimbatore, Tamilnadu.

Dr. Sibin Simon,

Associate Professor, School of Biosciences, has received a research grant worth Rupees 29.5 lakhs from DST-SERB.

Dr. Jeemon Joseph

Associate Professor and Director, MBA Department, MACFAST has secured M.G. University's award for Best NSS Unit during 2018-21 period and received Certificate of Appreciation.

Congratulations

Congratulations to our Governing Board Member **Dr. Nagabhushan P**, who has been awarded with the title "Educator of the year 2021" by IEEE.

ALUMNI ACHIEVEMENTS

Zubin Jacob Varghese- our alumni have been promoted to National Lead, General News Cluster, Network 18 Media and Investments Ltd.

Keynote Speaker:
Dr. Fathima Asla

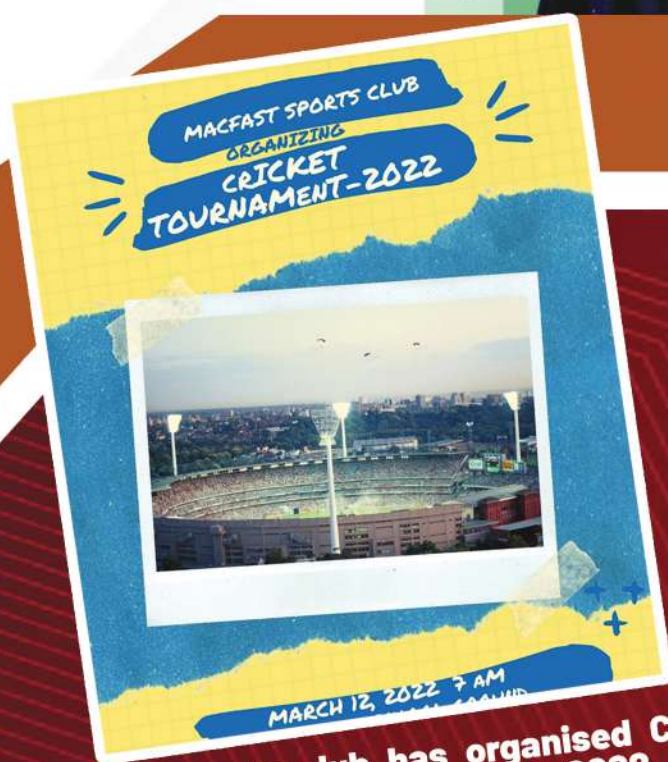

Inaugural Address:
Ms. Reshma Mariam Roy
Youngest Panchayat President in Kerala

Monday | 02:00 PM | 07th MARCH

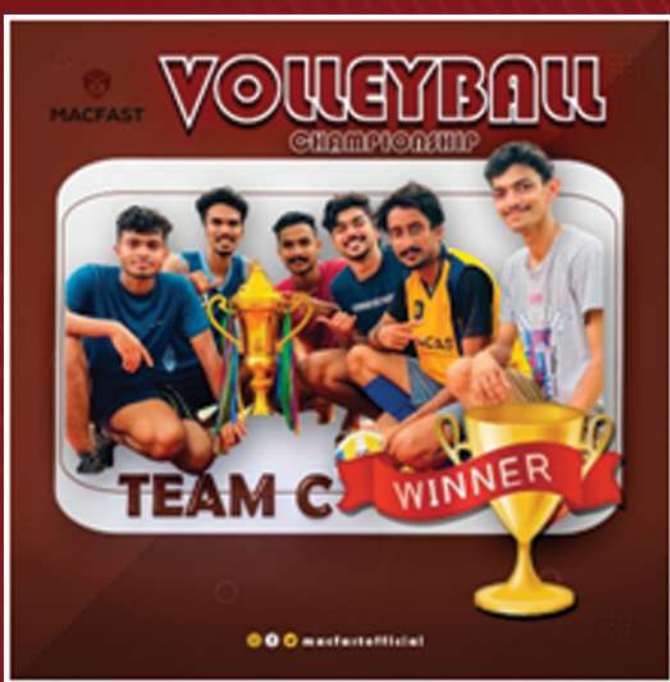

MACFAST macfastofficial www.macfast.org

Mar Athanasios College For Advanced Studies Tiruvalla, celebrated International Women's Day on March 7, 2022 organized by MACFAST women cell. Dr. Fathima Asla and Ms. Reshma Mariam Roy were the keynote speakers of the event.

SPORTS CLUB

MACFAST Sports club has organised Cricket Tournament 2022 on March 12 2022 at St. Thomas School ground, Thirumoolapuram.

Sports Club conducted a Volleyball Championship on 23rd June 2022 in the College Ground.

FORESTRY CLUB

1. WILDLIFE WEEK CELEBRATIONS & INAUGURATION OF FORESTRY CLUB ACTIVITIES

The inauguration of Forestry Club activities for the academic year 2021-2022 and celebration of the National Wildlife Week was organized at MACFAST under the auspices of the Forestry Club on 12 October 2021 at 2 PM. Sri. K N Syam Mohan Lal IFS, DFO, Konni, was the chief guest on the auspicious occasion and delivered the Wildlife Week Lecture “KAADARIYUKA”.

2. NATIONAL BIRD WATCHING DAY CELEBRATION - SING AND SING ALONG BIRD SONGS AFTER CHAI

As part of celebrating NATIONAL BIRD WATCHING DAY (November 12), an event ‘Sing and Sing Along Bird Songs After Chai’ was organized on 17 December 2021 at 5 PM in the Conference Hall.

3. ONE-DAY TRIP TO KUMMANNOOR FOREST, KONNI

A one-day forest trip was organized for the Forestry Club students with the help of the State Forest Department in the forests of Kummannoor under South Kumaramperoor Forest Station of Konni Range on Saturday, 8 January 2021. 43 students and 5 staff members participated in the forest trip.

4. INTERNATIONAL DAY OF FORESTS CELEBRATIONS - PHOTOGRAPHY COMPETITION AND EXHIBITION

In connection with the International Day of Forests celebration, a Nature photography competition was conducted for the students of the college. The exhibition of the same was conducted on 23 March 2022 from 2 PM onwards in the College Lobby. Out of the total entries, thirty photographs were selected for the exhibition. The Photography Exhibition was organized in association with Quest-2022. Abhimanyu R and Rithin Shibu of S1 MCA won the first and second prizes respectively while Muhammed Nadeem (S1 MCA) and Jerin Mathew (S2 MBA) jointly won the third prize.

5. CAMPUS BIRD WALKS

A total of sixteen morning bird watching sessions (6:30 AM - 7:30 AM) within the college campus were conducted for the students from October 2021 to May 2022. Participants noted down their observations and made rough illustrations on their field notes. Binoculars were used for bird identification and for studying them. Forestry Club mentors accompanied the students and provided appropriate guidance. The students found these sessions informative and were increasingly able to identify the birds with least assistance from the mentors.

INTERNATIONAL WEBINAR SERIES ON CURRENT TRENDS IN MOLECULAR LIFE SCIENCES

Organized by
School of Biosciences and Research Forum in association with IQAC
Mar Athanasios College For Advanced Studies Tiruvalla (MACFAST)

20th to 31st May 2021

Mar Athanasios College For Advanced Studies Tiruvalla (MACFAST) is one of the premier higher education and research institutions in Kerala, India. Established in 2001, the college is affiliated to Mar Athanasios College University and has been accredited with 'A' grade by NAAC. The School of Biosciences has a record of consistent academic excellence, offering innovative and graduate courses on various streams of applied life sciences. The School focuses on high quality education and enhancement of personal values and skills. We promote students' multi-disciplinary talents, and focus them to pursue global standards. Under its academic, various activities like international research, visiting edge research and dissemination initiatives etc. are routinely been conducted.

Recent advances in molecular biology posed a tremendous impact on all the science investigations. The highly sophisticated experimental methods in molecular biology fueled the fast pace of knowledge generation in the sciences with extensive interdisciplinary applications. The webinar series includes the dynamic pieces of research work being done across the globe on numerous themes associated with molecular biology. Conceptual understanding and communication are the focus of the webinar series. We aim at providing a great scope for the interaction of professionals, researchers, academicians, industrialists, students, and professors from around the globe on a single virtual platform.

We cordially invite you to attend the webinar series.
