Science Day Quiz 2024 - Rules and Regulations

The basic rule of the competition:

1. Only team entries are allowed, and each team shall consist of two students. There is no limit in the number of teams that can participate from a single institution.
2. Questions will be from all fields of science.
3. The participants shall not be allowed to use mobile or other electronic instruments during the quiz time.
4. **There will be two rounds in the quiz competition.**
 - (i) Preliminary round
 - (ii) Final quiz

Preliminary round:

- The questions shall be in the form of multiple choices.
- Top six teams will be selected from the preliminary round for the final stage.
- In case of tie for the 6th position, further 5 questions will be asked for final selection.

Final quiz:

Final stage will consist of multiple rounds. Regulations will be conveyed before the commencement of the stage

5. Audience/Supporters shall not give any hints or clues to the competitors.
6. Replacement of any participant of a team is not allowed after registration.
7. The decision of the quiz-master will be final and will not be subjected to any change.
